August 2023

Dear Franklin County Students, Families, and Community,

Welcome to a great new school year! This 2023-2024 Franklin County Public Schools Student/Parent Handbook highlights information about what we are doing to promote a safe school environment, provides a description of regular school routines, outlines a variety of policies to include the student code of conduct, and gives you an updated description about all the good things that we are doing to promote learning within FCPS. It also contains information specific to your child(ren)'s school(s) which can be found in the appropriate handbook supplement.

The FCPS Student/Parent Handbooks are designed to align with board policies and the student code of conduct in a way that promotes a consistent understanding about school safety and creates a positive atmosphere for teaching and learning. As you might know, during the previous school year, revised dress code and cell phone policies were implemented and the most up to date descriptions are included in the handbook. Please spend time with your child(ren) reviewing these and other policies prior to the first day of school.

It is important to note that although district and school handbooks are updated annually, policy adoptions and revisions may occur throughout the school year. We will utilize multiple methods of communicating any changes that might occur after the school year begins. It is our hope that everyone will remain informed by participating in school and district meetings, reviewing school newsletters, checking the district's website, following our social media pages, and/or calling the school or School Board office when you have questions.

Thank you for taking the time to review the information contained in these handbooks and for your willingness to be a partner with faculty and staff members in ensuring that our schools offer a safe and supportive environment that makes education a positive experience for each student. Please don't hesitate to reach out if you have questions about any of the described policies or procedures.

Sincerely,

Dr. Kevin W. Siers
Division Superintendent

STUDENTS' RIGHTS AND RESPONSIBILITIES

The State of Virginia, as provided for in Article VIII, of the Constitution of Virginia, has established and must maintain a public school system. Except as specifically provided for in relevant chapters of the Virginia Code, all residents of the division, between the ages of five and twenty are entitled to attend the public schools without charge.

Along with the right to an education, each student has two responsibilities:

1. To apply himself/herself to the best of his/her ability to gain maximum benefit from the educational opportunities guaranteed to citizens, and
2. To act in such a way as not to interfere with rights of others to the same opportunity

Reasonable and necessary order in the educational institution itself is essential to the fostering and maintaining of educational opportunity. All students have the right to an environment that is safe, drug-free, and conducive to learning. A student may forfeit his/her right to educational opportunities when his/her conduct is such that it substantially disrupts the educational process and deprives others of their rights.

Equal educational opportunities shall be available for all students, without regard to sex, race, color, national origin, gender, ethnicity, religion, disability, ancestry, or marital or parental status. Educational programs shall be designed to meet the varying needs of all students.

No student, on the basis of sex or gender, shall be denied equal access to programs, activities, services or benefits or be limited in the exercise of any right, privilege, or advantage or be denied equal access to educational and extracurricular programs and activities.

PARENTAL RESPONSIBILITIES

Excerpted from the *Code of Virginia (1950)*, as amended

DEFINITION OF PARENTS (Section 22.1.1)

"Parent" or "parents" means any parent or guardian, legal custodian, or other person having control or charge of a child.

Section 22.1-279.3 Parental responsibility and involvement requirements:

- A. Each parent of a student enrolled in a public school has a duty to assist the school in enforcing the standards of student conduct and attendance in order that education may be conducted in an atmosphere free of disruption and threat to persons or property, and supportive of individual rights.
- B. A school board shall provide opportunities for parental and community involvement in every school in the school division.
- C. Within one calendar month of the opening of school, each school board shall, simultaneously with any other materials customarily distributed at that time, send to the parents of each enrolled student (i) a notice of the requirements of this section and (ii) a copy of the school board's standards of student conduct. These materials shall include a notice to the parents that by signing the statement of receipt, parents shall not be deemed to waive, but to expressly reserve, their rights protected by the constitutions or laws of the United States or the Commonwealth, and that a parent shall have the right to express disagreement with a school's or school division's policies or decisions. Each parent of a student shall sign and return to the school in which the student is enrolled a statement

acknowledging the receipt of the school board's standards of student conduct and the notice of the requirements of this section. Each school shall maintain records of such signed statements.

- D. The school principal may request the student's parent to meet with the principal or his/ her designee to review the school board's standards of student conduct and the parent's responsibility to participate with the school in disciplining the student and maintaining order, and to discuss improvement of the child's behavior and educational progress.
- E. In accordance with Section 22.1-277 and the guidelines required by Section 22.1-278, the school principal may notify the parents of any student who violates a school board policy when such violation could result in the student's suspension, whether or not the school administration has imposed such disciplinary action. The notice shall state (i) the date and particulars of the violation; (ii) the obligation of the parent to take actions to assist the school in improving the student's behavior; and (iii) that, if the student is suspended, the parent may be required to accompany the student to meet with school officials.
- F. No suspended student shall be admitted to the regular school program until such student and his parent have met with school officials to discuss improvement of the student's behavior, unless the school principal or his designee determines that readmission, without parent conference, is appropriate for the student.
- G. Upon the failure of a parent to comply with the provisions of this section, the school board may, by petition to the juvenile and domestic relations court, proceed against such parent for willful and unreasonable refusal to participate in efforts to improve the student's behavior, as follows:
 - 1. If the court finds that the parent has willfully and unreasonably failed to meet, pursuant to a request of the principal as set forth in subsection D of this section, to review the school board's standards of student conduct and the parent's responsibility to assist the school in disciplining the student and maintaining order, and to discuss improvement of the child's behavior and educational progress, it may order the parent to so meet; or
 - 2. If the court finds that the parent has willfully and unreasonably failed to accompany a suspended student to meet with school officials pursuant to subsection F, or upon the student's receiving a second suspension or being expelled, it may order (i) the student or his parent to participate in such programs or such treatment as the court deems appropriate to improve the student's behavior or (ii) the student or his parent to be subject to such conditions and limitations as the court deems appropriate for the supervision, care, and rehabilitation of the student or his parent. In addition, the court may order the parent to pay a civil penalty not to exceed \$500.
- H. The civil penalties established pursuant to this section shall be enforceable in the juvenile and domestic relations court in which the student's school is located and shall be paid into a fund maintained by the appropriate local governing body to support programs or treatments designed to improve the behavior of students as described in subdivision 3 of subsection G. Upon the failure to pay the civil penalties imposed by this section, the attorney for the appropriate county, city, or town shall enforce the collection of such civil penalties.
- I. All references in this section to the juvenile and domestic relations court shall be also deemed to mean any successor in interest of such court.

GUIDELINES FOR THE STANDARDS OF STUDENT CONDUCT

STATEMENT OF PURPOSE AND INTENT

The development, implementation, and enforcement of the student conduct policy are intended to ensure a safe, non-disruptive environment for effective teaching and learning.

Standards of student conduct are designed to protect the health, safety and welfare of students.

The primary objectives of the standards of student conduct are

1. to provide standards and guidelines for student behavior;
2. to assist the student in becoming a responsible, productive, and self-disciplined citizen;
3. to maintain a safe and orderly environment in the classroom and all other areas of the school.

Elementary Schools

The primary goal of any disciplinary policy for elementary schools is to provide a safe and orderly learning environment for the students. The manner in which children conduct themselves daily directly affects their morale, self-confidence and achievement. Regulations established to guide good conduct will aid a student's social, emotional and academic growth.

Seldom will infractions of law take place on an elementary campus, but in the unlikely event that such should occur, identical measures that take place at the secondary level, including notification of parents and legal authorities will follow. A thorough investigation by the building principal, as well as compliance with a student's right to due process, will occur.

Each elementary school will establish a conduct code based on the principles of assertive discipline. Although each school will establish certain specific interpretations, the general principles of assertive discipline will be used by every school. Those principles are as follows:

- Each school will adopt a set of school rules and consequent action to follow if a rule is broken.
- The rules will be clearly stated in a positive way to encourage the desired behavior.
- The disciplinary actions to follow will be presented in a step format expanding in severity of punishment with each step. The frequency of a student's misbehavior will determine the consequent action.

Secondary Schools

It is the policy of the Franklin County School Board that the discipline and control of students shall be the responsibility of the teachers, guidance personnel and principals of the respective schools. The supervision and control of students should be maintained during the entire period of time that they are in school, during school activities, on the school grounds before and after school, on the way to and from school on school buses, and at school sponsored activities.

The first objective in working with student problems is to attempt to solve as many problems as possible through conferences with students. Most problems of a less serious nature can be worked out through counseling and soliciting student cooperation to correct problems and to improve behavior.

In the event of problems of a serious nature or repetition of less serious problems, parents or guardians will be contacted in person or by letter to apprise them of problems in which the student has been involved and to solicit their cooperation and assistance in working with the student.

APPLICATION OF POLICY

Standards of student conduct apply to all students under the jurisdiction of a school board.

Disciplinary action will be determined based on the facts of each incident in the reasonable discretion of the school board and other appropriate school officials.

Pupils may be suspended or expelled from attendance at school for sufficient cause; however, in no case may sufficient cause for suspension include only instances of truancy.

Students are subject to corrective disciplinary action for misconduct that occurs:

1. in school or on school property
2. on a school vehicle
3. while participating in or attending any school sponsored activity or trip
4. on the way to and from school, and
5. off school property, when the acts lead to
 - an adjudication of delinquency or a conviction for an offense listed in § 16.1-305.1. of the Code of Virginia (unlawful purchase, possession or use of a weapon; homicide; felonious assault and bodily wounding; criminal sexual assault; manufacture, sale, gift, distribution or possession of Schedule I or II controlled substances or marijuana; arson and related crimes; and burglary and related offenses; criminal street gang activity or recruitment for such activity), or
 - a charge that would be a felony if committed by an adult.

DISCIPLINARY ACTION: CRITERIA, PROCEDURES, AND PROCESSES

Removal of a Student from Class

Teachers shall have the initial authority to remove a student from a class for disruptive behavior that interrupts or obstructs the learning environment, using the following criteria:

1. The removal of the student is necessary to restore a learning environment free from interruptions or obstructions caused by the student's behavior.
2. The removal of the student occurs only after teacher or administrative interventions have failed to end the disruptive behavior. However, nothing shall preclude the immediate removal of a student for behavior that might warrant suspension from school.
3. The removal of a student is an appropriate response to student behavior that is a violation of the rules of conduct.
4. Written notice of the student's behavior and removal from class is given to the parent by the teacher.

Requirements for Behavior Reports

No removal under this policy shall occur unless a minimum of two prior written incident reports, discipline referral reports, etc., have been filed with school administrators. Parents must be notified of each report and given the opportunity to meet with the teacher and administrator. Such notice and documentation shall be required for each incident. Upon removal, the teacher shall file a "Student Removal Form" with school administrators and any other documentation to support the removal including, but not limited to, the previous two (2) behavior reports.

Procedures for Written Notification of Student and Parents

- The teacher shall submit the Student Removal Form, along with all required and pertinent documentation (i.e. notes, telephone calls, conferences, etc.), to the administrator.
- The administrator shall notify the parent(s) and give them the opportunity to meet with the teacher and administrator. This meeting is held to inform the parent(s) of the action taken.
- Documentation must be maintained of parental notification and action taken.

Guidelines for Alternative Assignment and Instruction of Removed Students

The administrator shall determine the appropriate placement of the student, who has been removed from a class. The administrator has several options regarding the placement of a removed student, including, but not limited to the suggestions below.

Some suggestions are as follows:

- Assign the student to an alternative program.
- Assign the student to another class either temporarily or permanently.
- Send the student to the administrator's office or study hall. If the administrator chooses this option, the teacher shall provide and evaluate appropriate make-up work for the student.
- Suspend or expel the student. If the administrator chooses this option, alternative instruction and assignment, if any, shall be provided according to School Board policy and, in the case of students with disabilities, in accordance with federal law.
- Return the student to class (see procedures below).

Procedures for the Student's Return to Class

The administrator shall determine, after consultation with the teacher, the duration of the student's removal from class. The administrator shall notify the teacher of the decision to return the student to class. The following procedure shall apply if the teacher disagrees with the administrator's decision to return a student to class.

- The teacher and administrator shall discuss the teacher's objection to returning the student to class and the administrator's reason for returning the student.
- The teacher, after meeting with the administrator, may appeal the administrator's decision to a panel of three (3) selected from a pool of teachers, counselors, and administrators. This panel will make a recommendation to the superintendent whose decision is final.
- The Superintendent's decision shall be made within five (5) working days of the teacher's appeal. During the appeal process, the student shall not be returned to class and the administrator will determine an appropriate placement for the student. The Student Removal Form, along with supporting documentation, must accompany the appeal request.

If the decision is made to return the student to class, the teacher and administrator and/or child study committee shall develop a plan to address future disruptive behavior.

Short-Term Suspension

A student may be suspended out-of-school for violations of the Code of Conduct. For out-of school suspensions of 10 days or less, the school administrator shall inform the student of the specific violation and provide the student with opportunities to respond to the charges. The student may present the student's version of what occurred. When the school suspends a student, the school shall

1. notify the student of the right to appeal;
2. make a reasonable effort to notify the student's parent of the suspension, inform the parent that a copy of the rules governing suspensions and the procedures for appeal are being sent home with the student, and make arrangements for the student's return home; and
3. send written notification to the parent informing the parent of the suspension, of its reason, the length of the suspension, the right to appeal, the student's right to return to school, and any conditions for that return.

Refer to *Violation of Suspension* for additional information.

Short-Term Suspension Appeal and Review

Upon suspension of any pupil, the principal, assistant principal, or teacher responsible for such suspension shall report the facts of the case in writing to the division superintendent or his designee (appeals officer) and the parent of the pupil suspended. The division superintendent or his designee (appeals officer) shall review forthwith the action taken by the principal, assistant principal, or teacher upon a petition for such review by any party in interest and confirm or disapprove such action based on an examination of the record of the pupil's behavior. The decision of the division superintendent or his designee (appeals officer) shall be final.

Long-Term Suspension

A student may be suspended for more than 10 days following a disciplinary hearing. For certain offenses, a student may be suspended for the remainder of the semester or the school year. The school administration may determine that transfer to another school serves the best interest of the student and the school. The school board may confirm or disapprove the suspension of a student. When a student is placed on long-term suspension, written notice of the suspension shall be sent in accordance with state law.

Long-Term Suspension Appeals and Review

On the request by a parent or guardian, the suspension of a student is subject to review by the superintendent, and on further request by a parent or guardian the suspension is subject to review by the school board.

In any case in which a parent or guardian requests review of a suspension by the school board, the board shall review the appeal within thirty days. The board's decision will be reached after consideration of all relevant information, including written or oral statements that the parent or guardian may wish to present. All information relevant to the review will be presented in an executive session of the school board, which, at the option of the parent or guardian, may be attended by the student, parent or guardian and their appointed representative. The board's action to sustain or modify the action of suspension shall be taken in public session without public identification of the student involved and promptly shall be communicated in writing to the parent or guardian.

Violation of Suspension

While a student is under suspension, he/she is denied access to the school premises except with the permission of the principal. If a student under suspension is found on the school premises without the permission of the principal, he/she shall be referred to the juvenile court authorities or shall be deemed a trespasser and prosecuted as such.

Any student who is suspended and who is also enrolled in a vocational school shall be deemed suspended from the vocational school. A student enrolled in a work cooperative program who is suspended also may be restricted from employment during the period of suspension.

Other Disciplinary Consequences

A school board may allow a student who has been suspended to complete academic assignments during the period of suspension in accordance with conditions established by the school board. School board policy may provide for ongoing consequences after a student returns to school following suspension or expulsion including, but not limited to, probationary status requiring satisfactory performance and conduct, limitations of privileges, community service, or restitution.

Students who have been suspended for alcohol, drugs, tobacco, sexual offenses, weapons, fights resulting in a ten-day suspension, or disrespectful and/or disruptive behaviors that result in more than ten cumulative days of Out-of-School Suspension will not be allowed to participate in or attend extra-curricular activities including, but not limited to, Homecoming, Prom, athletic contests, club meetings, pep rallies, talent show, parking on campus, senior trip, senior banquet, etc.

Expulsion

A student may be expelled only by action of the school board based on the recommendation of the principal and the superintendent. In the case of a recommendation for expulsion by the principal, the superintendent or his designee shall conduct a review of the recommendation. The review shall take into account the following factors:

1. The nature and seriousness of the violation
2. The degree of danger to the school community
3. The student's disciplinary history, including the seriousness and number of previous infractions
4. The appropriateness and availability of an alternative education placement or program
5. The student's age and grade level
6. The results of any mental health, substance abuse, or special education assessments
7. The student's attendance and academic records
8. Such other matters as deemed to be appropriate.

If the superintendent/designee upholds the recommendation, a hearing shall be held before the school board. When a student is expelled, written notice of the expulsion shall be sent in accordance with state law. The superintendent or his designee shall establish a schedule by which pupils who have been expelled may apply and reapply for readmission to school.

No decision to expel a student shall be reversed on the grounds that the above factors were not considered. Nothing in this subsection precludes the School Board from considering any of the factors listed above as "special circumstances" for purposes of expulsions discussed in the following subsections.

Expulsion for Weapons-Related Offense

Any student determined to be in possession of or to have brought any prohibited weapon onto school property or to a school-sponsored activity shall be expelled for a period of not less than one year (365 days). However, the school board may determine, based on the facts of a particular case, that special circumstances exist and another disciplinary action or term of expulsion is appropriate. The division superintendent may conduct a review in such cases to determine whether a disciplinary action other than expulsion is appropriate, and recommend that action to the school board for final determination.

Expulsion for Drug-Related Offense

Any student determined to have distributed or manufactured a controlled substance including anabolic steroids or prescription drugs, an imitation controlled drug, or other prohibited substance on school property or at a school-sponsored activity shall be expelled for a period of not less than one year. However, the school board may determine, based on the facts of a particular case, that special circumstances exist and another disciplinary action or term of expulsion is appropriate. The division superintendent may conduct a review in such cases to determine whether a disciplinary action other than expulsion is appropriate, and recommend that action to the school board for final determination.

Admission of Students Suspended or Expelled from Another School Division

A student who has been expelled or suspended for more than 30 days from attendance at school by a school board or a private school, or for whom admission has been withdrawn by a private school, may be excluded from attendance for no more than one calendar year in the case of expulsion or withdrawal of admission, and in the case of suspension of more than 30 days, for no longer than the duration of such suspension. The school shall provide written notice to the student and his or her parent of the reasons for such possible exclusion and of the right to a hearing conducted by the division superintendent. The student may not attend school until a review of the case is conducted by the division superintendent. Exclusion shall be imposed upon a finding that the student presents a danger to the other students or staff members of the school.

division. The decision to exclude the student shall be final unless altered by the school board after timely written petition. Upon the expiration of the exclusion, the student may petition the division superintendent for admission.

Corporal Punishment

The superintendent shall see that all employees of the school board are aware of the *Code of Virginia*, Section 22.1-279.1, Corporal punishment prohibited. Employees will also be informed that the board demands compliance with both the word and intent of the law.

The definition of corporal punishment specifically excludes the use of incidental, minor or reasonable physical contact or other actions designed to maintain order and control as permitted by law.

Academic Punishment

Academic punishment, which is defined as reducing credit previously earned, shall not be used. A student's academic grade shall be based solely on his/her achievement. Other types of discipline, rather than an arbitrary reduction in credit earned, should be employed when punishment is necessary.

This statement should not be interpreted to preclude a student's average grade being lowered by his/her failure to do assigned work. A student cannot be given credit for work not done, such as may occur when he/she fails to do assigned work or when he/she had an unexcused absence from class resulting in his/her not having the privilege of making up missed work. The teacher will not penalize the student beyond the period of the unexcused absence.

Group Punishment

The use of group punishment in the school division is not endorsed by the board and its use is strongly discouraged.

CONSIDERATIONS FOR DISCIPLINING STUDENTS WITH DISABILITIES

The due process procedures for student suspension and expulsions, as specified in Section 22.1-277 of the *Code of Virginia*, 1940, as amended, apply to students with disabilities. There are however additional procedural projections that must be met when a local school division disciplines a student with disabilities. The specific procedural projections are applicable whenever a local school division is contemplating or proposing a long-term suspension or expulsion. The procedural requirements must be followed prior to the imposition of a long-term suspension or expulsion. Further, the procedural protections, outlined as follows, apply to a student with disabilities regardless of the level of special education and related services the student receives (consultation to residential).

Section 504, which mandates nondiscrimination on the basis of disability in all programs and activities receiving federal financial assistance, applies to any individual who qualifies as a handicapped person. Handicapped person is defined as:

- has a physical or mental impairment which substantially limits one or more major live activities, or
- has a record of such an impairment, or
- is regarded as having an impairment.

Short-term Suspension

A short-term suspension is when a student is removed from class or school for ten (10) days or less. It does not constitute a change in placement. The child is subject to normal disciplinary

procedures whether or not there is a casual connection between the child's disability and misconduct.

Series of Short-term Suspensions

While a long-term suspension is defined as "greater than ten (10) consecutive days," there are circumstances when a series of short-term suspensions, after review, can be aggregated to indicate a long-term suspension.

A series of suspensions, which aggregates to more than ten (10) days, may be considered a significant change in placement requiring reevaluation and procedural protections. Factors to consider in determining whether aggregate suspensions of greater than ten (10) days are long-term suspensions include length of each suspension, proximity of suspensions, and total amount of days suspended.

In addition, the similarity of the misconduct triggering the suspensions could also be considered as a factor in determining whether the aggregate suspensions of greater than ten (10) days are a long-term suspension.

Further, a series of suspensions, upon review, may also suggest to the local school division that some aspect of the student's educational program is not meeting the student's needs. In such instances, the individualized education program (IEP) committee would be responsible for reviewing and revising the IEP, as necessary.

In such instances, the ten (10) days suspension clock starts over again once the placement of a student with disabilities, who previously has been suspended for misconduct, has been changed through the appropriate procedures for reviewing and revising the student's IEP.

Long-term Suspension (Greater Than Ten (10) Days and Expulsion)

When a student is removed from class or school for more than ten (10) consecutive days, a determination must be made as to whether or not there is a direct causal relationship between the child's disability and the misconduct. This determination must be made pursuant to the change in placement procedures by a committee of the following composition:

- a representative of the local school division, other than the child's teacher, qualified to provide or supervise the provision of special education,
- the child's teacher,
- one or both of the child's parents,
- the child, if appropriate,
- persons knowledgeable about the child, the meaning of the evaluation data, and the placement procedures, and
- other individuals, at the discretion of the parents or the local school division.

Dangerous Students With A Disability

LEAs may not unilaterally change the placement of a student with dangerous behavior when the misconduct is caused by the disability. LEAs, however, may use normal disciplinary measures for a child who exhibits dangerous behavior to include, for example, timeouts or suspension up to ten (10) days. An LEA may only impose an expulsion or long-term suspension on a student with a disability whose misconduct has been determined to be caused by his disability by obtaining an injunction, based on dangerousness of the student, from a court of competent jurisdiction.

Additional alternative methods of dealing with a dangerous student with disabilities may include the following:

- impose normal disciplinary measures (use of timeout, detention, restriction of privileges, and study carrels)
- Obtain the agreement of the student's parents to an alternative or interim placement

- Obtain a court order to institute a change in placement, upon a showing that the maintenance of the student's current placement is substantially likely to result in injury to the student or others.

Drug-Related Offenses

Individuals who are "currently engaging in the illegal use of drugs" are excluded from the definition of an individual with handicaps. This exclusion has resulted because the Americans with Disability Act amended Section 504 to so exclude them.

Further, a school division is authorized to take disciplinary action against students with disabilities for the use or possession of illegal drugs or alcohol to the same extent of nondisabled students and without the due process protection of section 504, as long as the school division can show the students are currently using such substances. This results from the amendment of Section 504 by the ADA.

Procedural Safeguards

Parents of students with disabilities must be fully informed of their procedural rights, including the right to appeal either the determination of whether or not there is a casual connection between the student's disability and the misconduct and/or the determination of the appropriateness of the placement at the time of the misconduct.

Child's Status During Proceedings

During the pendency of any administrative hearing or appeal or during the pendency of any judicial proceeding regarding these regulations, unless the LEA and parent agree otherwise, the child must remain in his current educational placement. While the placement may not be changed, this does not preclude using normal procedures for dealing with children who are endangering themselves and others. Such procedures do not include expulsion or suspension over ten (10) days; however, the procedures may include timeout, detention, restriction of privileges, or temporary suspension up to ten (10) days.

QUESTIONING / INVESTIGATION / ARRESTS

Police Questioning/Interviewing

A student, physically in school, may not be interviewed/questioned by police or any person not affiliated with the school without the knowledge of school officials.

Any questioning/interviewing must be done in private with an official school representative present. The building principal will make contact with the parent/guardian as soon as possible.

The principal and/or a designated representative shall maintain information derived from the questioning in strictest confidence unless law enforcement procedures shall require otherwise.

A student may not be released to the custody of persons other than a parent or legal guardian, unless placed under arrest by legal authority. If a student is removed from the school by legal authority, parents shall be notified of this action by school officials as soon as possible.

School Questioning/Interviewing

When a student is questioned by school officials or staff members for the purpose of investigation, be it relative to his/her conduct or an attempt to gather information, he/she shall have the right to be accompanied by a teacher, counselor or parent during the questioning, if he/she so desires.

SEARCH AND SEIZURE

A search involves an invasion of privacy. Whether a search of a student is permissible depends on a balancing of the student's right to privacy and freedom from unreasonable search and seizure against the school division's responsibility to protect the health, safety, and welfare of all persons in the school community and to carry out its educational mission. To maintain order and discipline in the schools and to protect the health, safety and welfare of students and school personnel, school authorities may search a student, student belongings, student lockers or student automobiles under the circumstances outlined below and may seize any illegal, unauthorized, or contraband materials discovered in the search.

As used in this policy, the term "unauthorized" means any item dangerous to the health or safety of students or school personnel, or disruptive of any lawful function, mission or process of the school, or any item described as unauthorized in school rules available beforehand to the student.

The locations at which searches of students and student property may be conducted are not limited to the school building or school property, but may be conducted wherever the student is involved in a school-sponsored function.

Personal Searches

A student's person and/or personal effects (e.g. purse, book bag, etc.) may be searched by a school official whenever the official has reasonable suspicion to believe that the student has violated or is about to violate the law or a school rule and that the search will yield evidence of the violation.

All individual searches of students must be based on reasonable suspicion. In order to be permissible, the search must be justified at its inception and reasonably related in scope to the circumstances justifying the search.

An individual search is justified at its inception when a school official has reasonable grounds, based on the totality of the known circumstances, for suspecting that the search will reveal evidence that the student has violated or is violating either the law or the rules of the school. A search is reasonable in scope when it is reasonably related to the objectives of the search and is not excessively intrusive in light of the age and sex of the student and the nature of the suspected infraction.

A personal search may include requiring a student to be scanned with a metal detector.

A pat down search of a student may only be conducted if a school administrator has established a high level of reasonable suspicion that evidence will be found to corroborate suspicion that a law or school rule has been broken. If a pat down search of a student's person is conducted, it will be conducted in private by a school official of the same sex and with an adult witness of the same sex present.

Strip searches involve an extreme intrusion into the rights of a student and may be conducted only when an extremely serious situation exists, requiring immediate action because of an imminent threat of death or great bodily injury to a person or persons. If a strip search is necessary the school official should contact the appropriate law enforcement official, and the search should be conducted by a sworn law enforcement officer of the same sex, in the presence of a same sex adult witness.

School officials may only conduct a strip search in cases where it is necessary to avoid the imminent threat of death or great bodily injury to the student or another person. If a strip search must be conducted by a school official, it must be by a same sex official with a same sex adult witness, and the school official must have the prior approval of the superintendent or his designee, unless the health or safety of the student is endangered by the delay.

Locker and Desk Searches

Student lockers and desks are school property and remain at all times under the control of the school; however, students are expected to assume full responsibility for the security of their lockers and are responsible for the content of their assigned locker at all times. Periodic general inspections of lockers and desks may be conducted by school authorities for any reason at any time without notice, without student consent, and without a search warrant.

Automobile Searches

Students are permitted to park on school premises as a matter of privilege, not of right. The school retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property. The interiors of student vehicles may be inspected whenever a school official has reasonable suspicion to believe that the student has violated or is about to violate the law or a school rule and that the search will yield evidence of the violation, or that illegal or unauthorized materials or other evidence of illegal or otherwise prohibited activities are contained inside the automobile. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.

Computer Searches

School computers, software and internet access are school property. Students are only authorized to use school computers and other similar educational technology consistent with the educational mission of the school and in accordance with Policy IBEA (Acceptable Computer System Use). School officials may search school computers, software and internet access records at any time for any reason and without student consent.

Consent Searches

If a student gives a school official consent for a search the school official does not need to demonstrate reasonable suspicion. A student's consent is only valid if given willingly and with knowledge of the meaning of consent. Students should be told of their right to refuse to be searched, and students must not perceive themselves at risk of punishment for refusing to grant permission for the search.

Seizure of Illegal Materials

If a properly conducted search yields illegal or contraband materials, such findings shall be turned over to proper legal authorities for ultimate disposition.

Instructional Materials

Parents may inspect, on request, any instructional material used as part of their student's curriculum.

Franklin County School Board ensures parental notification of any instructional material that

includes sexually explicit content.

Franklin County School Board provides nonexplicit instructional material and related academic activities to any student whose parent requests that the student be provided with such instructional material and/or activities.

The superintendent is responsible for creating, implementing, and periodically updating procedures for implementing this policy. Those procedures will include

- a process for identifying instructional materials, including supplementary materials, with sexually explicit content;
- a process by which principals will provide written notice to parents at least 30 days prior to the use of any instructional materials with sexually explicit content, that (a) specifically identifies the instructional materials with sexually explicit content, (b) informs parents of their right to review such instructional materials, and (c) informs parents of their right to have their child use, upon request, in a non-punitive manner, alternative instructional materials that do not include sexually explicit content;
- a process by which parents may change their decision with respect to the use of alternative instructional materials by providing written notice;
- a process for maintaining a current list of instructional materials with sexually explicit content by grade and subject matter on the division's website; and
- a process for online access for parental review of instructional materials that include sexually explicit content unless such review is not technically feasible or is prohibited by copyright protection. The process shall include provisions requiring schools to have instructional materials including sexually explicit content available for review by parents.

Library Book check out notification

Franklin County Public Schools provides an optional email notification system for the library. Parents/Guardians are able to opt-in to receive email notifications of books that are checked out of the library by your child. Notifications will be sent to the primary email address on file. If the email address needs to be changed, please contact the school or provide the updated email on the online form. Notifications will be sent at 5:00 p.m., only on the days when your child checks out books.

LAWS REGARDING THE PROSECUTION OF JUVENILES AS ADULTS

The following information has been developed by the Office of the Attorney General regarding the prosecution of juveniles as adults:

Section 22.1-279.4 of the *Code of Virginia* states:

School boards shall provide information developed by the office of the Attorney General to students regarding laws governing the prosecution of juveniles as adults for the commission of certain crimes. Methods of providing such information may include, but not be limited to, public announcements in the schools, written notification to parents, publication in the student conduct manual, and inclusion in those materials distributed to parents pursuant to § 22.1-279.3.

The following information in question and answer format provides the notice required by this section of the *Code*.

Who is a juvenile?

Section 16.1-228 of the *Code of Virginia* defines a juvenile as “a person less than 18 years of age.” Section 16.1-269.1 of the *Code* permits juveniles, 14 years of age or older at the time of an alleged offense, to be prosecuted as adults for specific crimes under certain circumstances. This process is called a transfer to the appropriate circuit court for trial as an adult.

How is the age of the juvenile calculated?

Section 16.1-241 of the *Code of Virginia* provides that for the purpose of transferring a juvenile to circuit court for trial as an adult, the child must have been age 14 or older at the time of the offense.

Under what circumstances does the law permit the transfer of juveniles for trial as adults?

The *Code of Virginia* permits the transfer of juveniles for trial as adults under three specific circumstances. Following is a description of each circumstance and the procedure that is followed in order to determine whether the student is transferred to circuit court.

Circumstance #1

A transfer can occur when a juvenile, who is age 14 or older at the time of the offense, is charged with a crime which would be a felony if committed by an adult (§ 16.1-269.1 A. of the *Code of Virginia*). Offenses are either felonies or misdemeanors. Those offenses that are punishable by confinement in a state correctional facility or death are felonies; all other offenses are misdemeanors. Felonies are classified for the purposes of punishment and sentencing into six classes. The authorized punishments for conviction of a felony are as follows:

- Class 1 felony – death if the person convicted was 18 years of age or older at the time of the offense and is not determined to be mentally retarded and a fine of not more than \$100,000. If the person was under 18 years of age at the time of the offense or is determined to be mentally retarded, the punishment shall be imprisonment for life or imprisonment for life and a fine of not more than \$100,000.
- Class 2 felony – imprisonment for life or for any term not less than twenty years or imprisonment for life or for any term not less than twenty years and a fine of not more than \$100,000.
- Class 3 felony – a term of imprisonment of not less than five years nor more than twenty years or a term of imprisonment of not less than five years nor more than twenty years and a fine of not more than \$100,000.
- Class 4 felony – a term of imprisonment of not less than two years nor more than ten years or a term of imprisonment of not less than two years nor more than ten years and a fine of not more than \$100,000.
- Class 5 felony – a term of imprisonment of not less than one year nor more than ten years, or in the discretion of the jury or the court trying the case without a jury, confinement in jail for not more than twelve months and a fine of not more than \$2,500, either or both.
- Class 6 felony – a term of imprisonment of not less than one year nor more than five years, or in the discretion of the jury or the court trying the case without a jury, confinement in jail for not more than twelve months and a fine of not more than \$2,500, either or both.

(§§ 18.2-9 and 18.2-10 of the *Code of Virginia*)

In this circumstance, the Commonwealth’s Attorney’s office makes a formal request to the judge of the juvenile court for the juvenile to be transferred to the circuit court. The juvenile court holds a transfer hearing and may retain jurisdiction or transfer the juvenile to the appropriate circuit court for criminal proceedings. Any transfer to the circuit court is subject to the following conditions: (1) notice; (2) probable cause to believe that the juvenile committed the alleged delinquent act or a

lesser included delinquent act; (3) the juvenile is competent to stand trial; and, (4) the juvenile is not a proper person to remain within the jurisdiction of the juvenile court.

The decision regarding whether the juvenile is not a proper person to remain within the jurisdiction of the juvenile court is based upon, but not limited to, the following factors:

- The juvenile's age
- The seriousness and number of alleged offenses
- Whether the juvenile can be retained in the juvenile justice system long enough for effective treatment and rehabilitation
- The appropriateness and availability of the services and dispositional alternatives in both the criminal justice and juvenile justice systems needed by the juvenile
- The record and previous history of the juvenile in the jurisdiction where the alleged crime occurred or in other jurisdictions
- Whether the juvenile has escaped from a juvenile correctional entity in the past
- The extent, if any, of the juvenile's degree of mental retardation or mental illness
- The juvenile's school record and education
- The juvenile's mental and emotional maturity
- The juvenile's physical condition and maturity

Circumstance #2

A transfer can occur when a juvenile 14 years of age or older is charged with an offense which would be a felony if committed by an adult. (§ 16.1-269.1 C of the *Code of Virginia*)

In this circumstance, transfer is requested at the discretion of the Commonwealth's Attorney. If the Commonwealth's Attorney wishes to transfer the juvenile for trial as an adult, the juvenile court holds a preliminary hearing to determine whether there is probable cause to believe the juvenile committed the alleged delinquent act. Upon a finding of probable cause, the juvenile is transferred for prosecution as an adult. (§16.1-269.1 C of the *Code of Virginia*)

Circumstance #3

A transfer occurs when a juvenile 14 years of age or older at the time of the alleged offense is charged with capital murder, first or second degree murder, lynching or aggravated malicious wounding. (§ 16.1-269.1 B of the *Code of Virginia*)

Transfer under this circumstance is automatic. Whenever a juvenile 14 years of age or older is charged with capital murder, first or second degree murder, lynching or aggravated malicious wounding, he or she must be tried as an adult. The juvenile court holds a preliminary hearing to determine whether there is probable cause to believe the juvenile committed the alleged delinquent act. Upon a finding of probable cause, the juvenile is transferred for prosecution as an adult. (§ 16.1-269.1 B of the *Code of Virginia*)

If a juvenile is transferred for prosecution as an adult on one offense, what happens if he or she has also been charged with other offenses?

If any one charge is transferred, all other charges of delinquency arising out of the same act will be transferred. (§ 16.1-269.6 of the *Code of Virginia*)

Does the transfer impact subsequent alleged criminal offenses?

Yes. Once a juvenile is convicted of a crime as an adult in circuit court, all subsequent alleged criminal offenses of whatever nature, will be treated as adult offenses and no transfer hearing will be required. (§ 16.1-269.6 of the *Code of Virginia*)

What happens when an adult is sentenced for a crime he or she committed as a juvenile?

When the juvenile court sentences an adult who has committed, before attaining the age of 18, an offense which would be a crime if committed by an adult, the court may impose a penalty up to a maximum of 12 months in jail and/or a fine up to \$2,500. (§ 16.1-284 of the *Code of Virginia*)

What can happen if a juvenile is tried as an adult?

There are significant differences between a juvenile being tried as a juvenile and a juvenile being tried in the circuit court as an adult. In the juvenile system, a juvenile is given added protections because of his or her youth. First, records pertaining to the charge and adjudication of delinquency are confidential and may not be available to the public unless the crime was a felony. Second, if the adjudication is for a misdemeanor, the juvenile court record is expunged when the juvenile reaches the age of majority and is considered an adult. Third, a juvenile who is adjudicated delinquent remains in the juvenile system where a judge has discretion in the determination of the punishment or consequences to be imposed. In the juvenile system, the emphasis is on treatment and education.

In contrast, if a juvenile is prosecuted as an adult the issues and information related to the charge and the conviction of a crime are part of the public record. Because the information becomes an adult criminal record, it is not expunged when the juvenile reaches the age of 18. Additionally, the judge does not have the same discretion in sentencing. The judge in circuit court must impose at least the mandatory minimum sentence that is prescribed in sentencing guidelines. The circuit court does have the discretionary power to commit the juvenile to the juvenile system even if prosecuted as an adult.

APPEALS AND APPEAL PROCEDURES

An appeal is a formal request for reconsideration of an action taken against or punishment imposed on a student by an administrator. A student or his/her parents or guardian has the right to initiate an appeal. All appeals must be placed in writing within five (5) school days of the action taken or the punishment imposed upon which the appeal is based.

Students shall have the right to appeal most administrative decisions/actions taken against them by school administrators to the next highest authority, with steps reaching to the School Board (see below).

- Step 1: building administrator or assistant administrator
- Step 2: associate principal (if applicable)
- Step 3: campus principal
- Step 4: appeals officer (final step for suspension of 10 days or less)
- Step 5: assistant superintendent/superintendent
- Step 6: school board

FEES, FINES, AND MEAL CHARGES

The following regulation (JN-R) was approved by the Franklin County School Board in August 2013 to organize and set guidelines for student fees, fines, and charges.

Generally

Only those fees and charges permitted by law or the regulations of the Board of Education may be required of students. The School Board, upon recommendation of the superintendent, may take action against a pupil or pupil's parent for any actual loss, breakage, or destruction of, or failure to return property owned by or under the control of the School Board. Such action may include seeking reimbursement from a pupil or pupil's parent for any such loss, breakage, or destruction of or failure to return school property.

Students participating in extra- and/or co-curricular activities may have associated expenses, such as an activity fee, camp fees, uniforms, etc. Unpaid fees will result in the student being ineligible to participate in games, meets, or other extra events. Activity fees will not be refunded if the student discontinues their participation, or when the student is removed from the team or activity for disciplinary reasons. The administration reserves the right to review and make a determination of any individual situation.

The teacher, coach or sponsor will file debt obligations with the school bookkeeper. Any student who has a delinquent or outstanding debt (library fines, charges for lost or damaged books, unpaid fees for uniforms, unresolved accounts for fundraisers, etc.) will not be allowed to participate in any extracurricular or fundraising event sponsored by the school. Such activities may include, but are not limited to, sporting events, prom/dances, and some field trips. Seniors with outstanding debt will not be denied their diploma; however, they may not participate in the graduation ceremony. Any student attending an extracurricular activity while on the debt list will be subject to disciplinary action.

Payment of debts should be made to the school bookkeeper. Debts incurred in the preceding school year are carried over to the current year.

Schedule of Student Fees

- A school's request for donations for Cultural Arts programs will be considered optional.
- A fee waiver may be requested for economically disadvantaged student/families. Please contact the student's guidance counselor for information.
- Students may be requested to bring specific, necessary supplies for their own use in the classroom.

Meal Charges

Meal charge policy for students with insufficient funds for school meals and delinquent accounts in the school nutrition program.

The National School Lunch and School Breakfast Programs are integral in ensuring that students have access to nutritious meals to support their academic success. It is also imperative to protect the financial stability of the school nutrition program.

The intent of this policy is to establish a process and procedure to handle situations when children eligible for reduced-price or full-price meal benefits have insufficient funds to pay for school meals; as well as for the collection of unpaid meal charges and delinquent account debt.

Students who have money to pay for a reduced-price or full price meal at the time of service must be provided a meal. If the student intended to use the money for that day's meal, the School Foodservice Authority (SFA) will not use the money to repay a negative balance or other unpaid meal charge debt. Student are allowed to charge up to \$20 for full priced students and \$5 for reduced students. After that they will receive a choice of a sandwich and a milk until they bring in money or their bill is paid. Students will not be allowed to purchase or charge a-la-carte items if there is a negative account balance. This includes milk and ice cream.

The SFA will notify households of low or negative balances. This will be done by email, phone calls and text messages. The student's household will be notified daily about their negative balance and weekly if their student's account drops below the \$10 threshold.

All debt must be paid by the end of the year. Efforts to collect delinquent and/or bad debt will be handled by:

1. text, phone calls and emails
2. 1st letter
3. 2nd letter
4. Notification/Notice of Adverse Action
5. Collection Agency

ASSISTANCE TO HOUSEHOLDS

Households with questions or needing assistance may contact the school office where their student attends or the School Nutrition Program office at: (540) 483-5138, 25 Bernard Rd. Rocky Mount VA 24151

COLLECTION PROCEDURES FOR DELINQUENT AND BAD DEBT-ADVERSE ACTION

When a household has not responded to multiple contacts that are listed above and the parent has not paid the delinquent account balance, collection procedures may be initiated. Households will receive a Notification/Notice of Adverse Action stating collection procedures have begun.

STANDARDS OF STUDENT CONDUCT

It is the belief of the Franklin County School Board that all students have the right to an environment that is safe, drug-free, and conducive to learning. To that end, the student conduct policy sets forth standards for student conduct.

Students are subject to corrective action for any misconduct that occurs

- in school or on school property;
- on a school vehicle;
- while participating in or attending any school sponsored activity or trip;
- on the way to and from school; and
- off school property, when the acts lead to:
 1. an adjudication of delinquency pursuant to Virginia Code §16.1-305.1 or a conviction for an offense listed in Virginia Code §16.1-260, or
 2. a charge that would be a felony if committed by an adult.

In determining corrective action, consideration will be given to the following factors:

- the nature and seriousness of the conduct;
- the degree of danger to the school community;
- the student's disciplinary history, including seriousness and number of previous infractions;
- the appropriateness and availability of an alternative education placement or program;
- the student's age and grade level;
- the student's attendance and academic records, and
- other appropriate matters.

The following corrective actions are among those available to the school administration for violation of the Student Code of Conduct. Each offense shall be considered fully in determining reasonable corrective actions. The options and alternatives may range from a required conference to mandatory expulsion, and may include but not be limited to the following:

- counseling
- parent/pupil conference with administrator
- modification of student classroom assignment or schedule
- loss of privileges, including access to the school division's computer system
- student behavior contract
- removal from class
- initiation of child study process
- tasks or restrictions assigned by the principal or his/her designee

- detention before school, during school or after school
- suspension from school-sponsored activities or events prior to, during, or after the regular school day
- referral to in-school intervention, mediation, or community service programs
- in-school suspension
- out-of-school suspension
- referral to an alternative education program
- notification of legal authority where appropriate
- mandatory recommendation for expulsion for bringing a firearm onto school property or to a school-sponsored activity; or use or possession of a controlled substance, imitation

controlled substance or marijuana or synthetic cannabinoids, as defined in Chapter 34 or Title 54.1 and §18.2-247 of the *Code of Virginia* on school property or at a school-sponsored activity

- evaluation for alcohol or drug abuse
- participation in a drug, alcohol or violence intervention, prevention or treatment program

ACCEPTABLE USE OF THE INTERNET

Students shall abide by the Franklin County Public School Division's Acceptable Computer Use Policy and Regulation. See Policy Sections GAB and GAB-R on the division website:

<http://www.frco.k12.va.us>.

PROHIBITED CONDUCT

The following conduct is prohibited. Students engaging in such conduct are subject to disciplinary action.

CELL PHONE USE

During the school day:

Cell Phone 9-12

Cell phones may only be used in designated locations and at designated times. Cell phone usage signs are posted throughout the campus. Students may not use cell phones in classrooms except when directed by the teacher. Students are never to charge their cell phones in classrooms.

Cell Phone K-8

All use of personal cellular telephones and other forms of electronic communication tools are prohibited from 8:00 a.m. to 3:30 p.m.

K-12

Students' may use personal cell phones after school hours and to and from school while on the bus while adhering to the following:

- Inappropriate use of social media, vulgar pictures, text messages, videos, etc. shall not be permitted at any time while the cell phone is on school property, this includes school transportation
- The student is solely responsible for his/her cell phone. The school and its staff are not liable for student's cell phones.
- Cyberbullying will not be tolerated in any form. Engaging in cyberbullying during school hours or during any school sponsored events after hours will result in disciplinary action. In some cases law enforcement will be involved.

Consequences:

Grades K-8

First Offense: A warning will be given to the student and a referral processed by Administration.

Second Offense: A referral will be written and processed by Administration. The student's device will be confiscated and returned to the student at the end of the school day.

Third Offense: A referral will be written and processed by Administration. The student's device will be confiscated and the parent must pick up the device from the office at the end of the school day.

Fourth Offense: A referral will be written and processed by Administration. The student's device will be confiscated and the parent must pick up the device from the office at the end of the school day. The student will receive a disciplinary action.

Cell phones will not be used for instructional purposes at any time during the school day.

Grades 9-12

1st offense- A warning will be issued by the teacher.

2nd offense: The parent/guardian will be contacted by the teacher.

3rd offense: A referral will be written and processed by Administration. The student will receive P.M. detention. The student's device will be confiscated while in P.M. Detention.

4th offense: A referral will be written and processed by Administration. The student will receive I.S.S. The student's device will be confiscated while in I.S.S.

5th offense: A referral will be written and processed by Administration. The student will be assigned to SLC. The student's device will be confiscated while at SLC.

The Administration at each school reserves the right to determine what constitutes appropriate cell phone usage according to the policy. Students who do not adhere to these guidelines will be subject to disciplinary action. Parents will be contacted to advise them of the situation. As a reminder, the device usage examples listed above are not an exhaustive list. Any questions regarding cell phone usage should be addressed with school administration.

Bullying and Use of Electronic Means for Bullying

Bullying is prohibited. "Bullying" means any aggressive and unwanted behavior that is intended to harm, intimidate, or humiliate the victim; involves a real or perceived power imbalance between the aggressor or aggressors and victim; and is repeated over time or causes severe emotional trauma. "Bullying" includes cyber bullying. "Bullying" does not include ordinary teasing, horseplay, argument or peer conflict.

Disruptive Behavior

Students are entitled to a learning environment free of unnecessary disruption. Any physical or verbal disturbance within the school setting or during related activities which interrupts or interferes with teaching and orderly conduct of school activities is prohibited.

Disruptive demonstrations or protests are not appropriate methods for students to use in communicating their wishes pursuant to matters affecting policy, rules, and regulations dealing with the operation of public schools.

Students participating, whether involved directly or indirectly, in the planning or execution of any disruptive demonstrations or protests may be disciplined according to policies and regulations of the school board, State Board of Education, or Virginia School Laws.

Gang Activity

Gang activity, as defined in Policy JFCE Gang Activity or Association, is prohibited.

Harassment

As provided in Policy JFHA/GBA Prohibition Against Harassment and Retaliation, students are prohibited from harassing other students, school staff, volunteers, student teachers or any other person present in school facilities or at school functions.

Hazing

Hazing is prohibited.

Hazing means to recklessly or intentionally endanger the health or safety of a student or students or to inflict bodily harm on a student or students in connection with or for the purpose of initiation, admission into or affiliation with or as a condition for continued membership in a club, organization, association, fraternity, sorority, or student body regardless of whether the student or students so endangered or injured participated voluntarily in the relevant activity.

Intentional Injury of Others

Students are prohibited from intentionally injuring others.

Self-defense

Whether a student acted in self-defense is considered when the student's conduct is evaluated for disciplinary action.

Threats: Intimidation

Students are prohibited from making any verbal, written or physical threat of bodily injury to another person or property.

Trespassing

Students, including students who have been suspended or expelled, are subject to disciplinary action for trespassing on school property

Use and/or Possession of Alcohol, Tobacco Products, Nicotine Vapor Products, Anabolic Steroids, and Other Drugs

Students are prohibited from possessing, using, or distributing any of the restricted substances listed below on school property, on school buses or during school activities, on or off school property.

Students are prohibited from attempting to possess, use, consume, procure and/or purchase, any of the restricted substances listed below or what is represented by or to the student to be any of the restricted substances listed below or what the student believes is any of the restricted substances listed below.

Students are prohibited from being under the influence of any of the restricted substances listed below, regardless of whether the student's condition amounts to legal intoxication.

Restricted substances include but are not limited to alcohol, tobacco products as defined in Policy JFCH Tobacco Products and Nicotine Vapor Products, nicotine vapor products as defined in Policy JFCH Tobacco Products and Nicotine Vapor Products, inhalant products, and other controlled substances defined in the Drug Control Act, Chapter 15.1 of Title 54 of the Code of Virginia, such as anabolic steroids, stimulants, depressants, hallucinogens, marijuana, imitation and look-alike drugs, drug paraphernalia and any prescription or non-prescription drug possessed in violation of School Board policy.

In addition to any other consequences which may result, a student who is a member of a school athletic team will be ineligible for two school years to compete in interscholastic athletic

competition if the school principal and the superintendent determine that the student used anabolic steroids during the training period immediately preceding or during the sport season of the athletic team, unless such steroid was prescribed by a licensed physician for a medical condition.

Use of Profane or Obscene Language and Conduct

Students are prohibited from using profane or obscene language or engaging in profane or obscene conduct.

Vandalism

Students are prohibited from vandalizing school property and the property of any School Board staff member or any other person.

The School Board may recover damages sustained because of the willful or malicious destruction or, or damage to, public property pursuant to Policy ECAB Vandalism.

Weapons or Other Dangerous Articles

Students shall not have in their possession any type of unauthorized firearm or other article which may be used as a weapon, regardless of whether it is commonly accepted as such.

Other Conduct

In addition to those specific standards, students shall not engage in any conduct which materially and substantially disrupts the ongoing educational process or which is otherwise in violation of federal, state, or local law.

Bus-Related Conduct

Students are required to conduct themselves on school buses in a manner consistent with established standards for classroom behavior. Students who become disciplinary problems on school buses shall be reported to the principal by the driver and may have their riding privileges suspended. Students are also subject to the same disciplinary action as would be prescribed had the behavior occurred at school. See Policy Sections JFCC and JFCC-R or the division website” <http://www.frco.k12.va.us>.

FRANKLIN COUNTY PUBLIC SCHOOLS ATTENDANCE AND TARDINESS GUIDELINES AGREEMENT FOR STUDENTS AND PARENTS

ATTENDANCE AND TARDINESS

All students are expected to attend school regularly and to be on time for classes in order to benefit maximally from the instructional program and to develop habits of punctuality, self-discipline, and responsibility. There is a direct relationship between poor attendance and class failure. Students who have good attendance generally achieve higher grades, enjoy school more, and are much more employable after leaving high school.

RELIGIOUS HOLIDAYS

Students shall be excused for the observance of traditional religious holidays. The parent is responsible for notifying the child's school of the religious holiday(s) to be observed, and should prearrange absences. Notes from parents shall specify:

1. the date(s) of the absence(s);
2. the name of the religious holiday; and
3. a statement that the absence is due to the exercise of the student's bona fide religious beliefs.

If the parent is unable to prearrange the absence, a request for exemption must be received no later than the second (2nd) day after the student's return to school from the absence occasioned by the religious observance. Students are responsible for contacting teachers for missed work within three (3) days of absence(s).

SCHOOL PROCEDURES

1. Student absences will be recorded on a daily basis in each class.
2. A written note along with the official documentation shown in Table 1 (below) should be sent to school no later than the third (3rd) day after the student's return to school from absence.
 - a. For elementary students, the note should be sent by the parent or guardian to the teacher, office or appropriate school personnel whenever a student is absent or tardy.
 - b. For middle school students, the note should be sent by the parent or guardian to the student's guidance counselor whenever a student is absent or tardy.
 - c. For high school students, the note should be sent by the parent or guardian to the student's first period teacher or guidance counselor whenever a student is absent or tardy.

The contents of the parent's note must include the following:

- a. the student's full name;
- b. the date(s) of the absence(s);
- c. the specific, verifiable reason for the absence, tardiness or early dismissal;
- d. the signature of the parent; and
- e. a daytime phone number where a parent can be reached to verify the note.

Table 1 - Official Documentation Needed for an Absence To Be Considered EXCUSED	
Absences	Documentation Required
a. Personal illness or exposure to a contagious disease	Statement from attending physician
b. Medical/therapist appointment	Statement from attending professional
c. Severe illness in the immediate family	Statement from attending physician or parent note
d. Death in the immediate family	Memorial from funeral or parent note
e. Religious observance	Prearranged - contact school administrator
f. Pre-arranged college visits (maximum of 2	Verification letter on college letterhead

per semester for Juniors and Seniors only)	
g. Student court appearance	Subpoena with student's name
h. Other extenuating circumstances	Prearranged - contact school administrator
<i>Any evidence that the reason offered for an absence is untruthful or misleading renders the absence unexcused. Disciplinary action will be taken.</i>	

3. Franklin County Public Schools will accept in each semester (i.e., two nine (9) week grading periods) up to five (5) days of medical absences that are justified by a parent note. After the fifth absence, official documentation will be required (see Table 1).
4. Attendance in school for the full number of hours each day is expected and required by the Code of Virginia. Because of this requirement,
 - a. for K-8 students, five (5) unexcused tardies and/or early check-outs will be equivalent to one (1) unexcused absence. Parents/guardians should provide the same documentation as listed in Table 1 in order for the tardy/early check-out to be considered excused.
 - b. for grades 9-12, three (3) unexcused early check-outs in the same class will be equivalent to one (1) unexcused absence. Parents/guardians should provide the same documentation as listed in Table 1 in order for the early check-out to be considered excused.
 - c. In addition to the requirements of the Compulsory School Attendance law, K-8 students who accumulate more than twenty (20) excused or unexcused absences may be retained or be required to attend summer school. Discipline, grades, completion of make-up work, and extenuating circumstances will be considered when reviewing such cases.
5. Students who are absent from school may not participate in any extracurricular activities of the school which occur on that same day without written permission of the administration. An elementary student must be present for fifty percent (50%) of the school day, and a secondary student must attend a minimum of two (2) classes in order to be counted present for the day and eligible to participate in any extracurricular activities.
6. Absences from classes due to school sponsored activities (e.g., field trips and athletics) are excused since students are considered present in school when participating in these activities. Classes missed due to high school exam exemptions are also excused.
7. In the case of short-term suspensions (1-10 days), fifty percent (50%) of the days will be counted as unexcused as applied to the attendance policy.
8. Absences without official documentation (Table 1) are considered unexcused. After five (5) unexcused absences, a school social worker, administrator, or counselor will begin the Compulsory School Attendance procedure, which may include the parent and student meeting with school personnel to develop and sign an attendance contract, or meeting with the Franklin County Truancy Multidisciplinary Team pursuant to VAC 22.1-258. In severe cases or cases with a history of attendance concerns and interventions, charges may be pursued against the parent in accordance with VAC 22.1-258.
9. FCHS students who accumulate more than ten (10) absences (excused or unexcused) through the course of the semester must file for a waiver with the principal in order to retain credit for the course. Prior to submitting the waiver application, the student must have completed all make-up work. Discipline, attendance documentation, grades and extenuating circumstances will be considered for credit retention.

If the waiver is denied, the student may appeal to the Attendance Review Board. The Attendance Review Board will consist of the student's guidance counselor, a principal, school

social worker, central office representative, and a school board member. The Attendance Review Board will examine the student's absentee record and documentation submitted in accordance with this regulation and will then notify the student and parent/guardian by mail as to the student's credit status for the class(es) in question. The decision of the Attendance Review Board shall be final.

10. In order to keep parents informed of absences and the Compulsory School Attendance law, the attendance office will notify the parent or guardian throughout the school year when the student has accumulated five (5) days of excused or unexcused absences in a nine (9) week grading period.

PERFECT ATTENDANCE AWARDS

1. Elementary students must be present for at least fifty percent (50%) of the instructional day (as defined by the school's arrival and dismissal bell schedule) in order to be counted present for that day and thus eligible for perfect attendance recognition. Students who are tardy or have early dismissal for more than five (5) days cannot be considered for perfect attendance recognition.
2. Middle school students must be present for fifty percent (50%) of the instructional day in order to be counted present for that day and thus eligible for perfect attendance. Students in 8th grade must be present two (2) periods and students in grades 6/7 must be present three (3) periods. Students who are tardy or have early dismissal for more than five (5) days cannot be considered for perfect attendance recognition.
3. High school students are eligible for a perfect attendance award in their senior year when the following criteria are met:
 - a. The student did not accumulate more than a total of three (3) period absences over the course of their four (4) years at Franklin County High School.
 - b. Franklin County High School does not generate a list of students qualified for perfect attendance recognition; it is the student's responsibility to complete and submit the application in order to be considered for perfect attendance recognition.

TARDY TO SCHOOL

Any student who reports to school after the bell to begin school will be considered tardy and will be admitted on an excused or unexcused basis. Students who are late because of late buses or other school actions will be given admission slips and counted present. Other excused tardies are:

- Required court appearance with documentation
- Medical or dental appointments with documentation
- Sudden or traumatic disruptions (fire, flood, serious domestic disputes, etc.) of a student's life style
- Personal illness documented by a note signed by a parent or guardian (five-note limit before a doctor's note will be required)
- A tardy not covered by the above reasons, but considered by the administration to be beyond the control of the student and seen as valid. Appropriate documentation and a conference may be required.

Oversleeping, riding with another student, and automobile problems are unexcused tardies. Students who drive to school must accept the responsibilities of being on time, or they will be subject to losing their parking permits.

ADDITIONAL NOTES

This regulation will not affect existing disciplinary procedures. Any student who cuts a class or skips school will still be disciplined in accordance with disciplinary policies.

It is important that students and parents realize and understand that the tolerance of ten (10) days per semester is not to be considered as legitimate or approved days to miss class, but rather they should be used only if necessary and as indicated by this regulation.

Except going to and from classes, students are not to leave campus during the day without permission. Students who have permission to leave school for necessary appointments, participation in co-op programs and other authorized functions must have proper permission slips or parental written requests approved by the administration and must sign out in the office.

- Clothing may not depict, imply, advertise, or advocate illegal, violent, or lewd conduct, weapons, or the use of alcohol, tobacco, marijuana, or other controlled substances.
- Clothing may not depict or imply pornography, nudity, or sexual acts.
- Clothing may not display or imply vulgar, discriminatory, or obscene language or images.
- Clothing may not state, imply or depict hate speech/imagery targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or any other protected classification. The Confederate Flag is prohibited.
- Clothing and accessories that endanger the safety of others may not be worn.
- Apparel, jewelry, accessories, tattoos, or manner of grooming that, by virtue of its color, arrangement, trademark or any other attribute, denotes membership in a gang that advocates illegal or disruptive behavior is prohibited.

SECTION II: Clothing must cover the chest, stomach, back and shoulders even when arms are raised. Tight fitting clothing and/or revealing pants are not allowed. Clothing must be covered with a shirt or garment that is no shorter than 5" above the knee as measured by a 3x5 index card.

- Pants are to be worn at the waist, and are not to drag the ground.
- See-through, mesh or garments with holes must not be worn without appropriate coverage underneath.
- Specialized courses may require specialized attire, such as sports uniforms or safety gear.
- Clothing must have shoulder straps at least 3 inches in width unless covered by jacket/sweater at all times

SECTION III: Accessories

1. No long chains, jewelry or cosmetic accessories that can reasonably be used as a weapon. (i.e., pants, book bags, etc.).
2. Headcoverings/hats
 - Pre-K-8: Headgear/head apparel including hats, hoods, headwraps, and caps are not allowed at school unless permitted for religious, medical or extenuating circumstances approved by administration.
 - Grades 9-12: Headgear cannot conceal the face unless permitted for religious, medical or extenuating circumstances approved by administration.
3. Shoes
 - Shoes must be worn at all times and should be safe for the school environment.
4. Sunglasses may not be worn inside the building.

The Administration at each school reserves the right to determine what constitutes appropriate dress according to the policy. Students who do not adhere to these guidelines will not be allowed to attend class until they are in compliance. Parents will be called to advise them of the situation. As a reminder, this dress code is not an exhaustive list. Any questions regarding this dress code should be addressed with school administration.

SCHOOL BUS RULES AND REGULATIONS

The *Code of Virginia* permits school boards to provide transportation for students, but does not require them to do so. Riding the school bus is a privilege, not a right.

The Franklin County School System endeavors to provide the best possible education for all of its students. Our transportation department is a vital part of the educational program. Safety is our most important consideration.

The school bus driver carries an awesome burden of responsibility and it is essential that all students cooperate by observing certain rules and regulations. Your full support is necessary if your child is to benefit from the safest possible transportation.

The school bus is considered to be an extension of the school and the classroom. All policies, rules and regulations which apply to students in school also apply while they are being transported. The school system is not responsible for any lost or stolen items.

Parents or guardians or their designee(s) of elementary students must be at the bus stop in the morning and afternoon.

The following regulations are vital to the safe transportation of your children to and from schools. Parents should read this list in its entirety.

Required Behavior While Waiting for the Bus

- Be on time. It is recommended that students be at their bus stop at least five minutes before the regular pickup time, but not earlier than ten minutes before this time.
- Wait in a safe, designated place a minimum of 10 feet from the road.
- Do not run towards or alongside a moving bus.
- Wait until the bus has stopped, then walk up to the front door. If it is necessary to cross the highway, do so at the front of the bus and at least ten feet in front of the bus. Do not cross the highway until the driver has signaled that it is safe to do so.

Required Behavior While Boarding the Bus

- Line up in a single file to board the bus.
- Board quickly and in an orderly manner.
- Proceed to a seat immediately.
- Be seated before the bus is in motion.

Required Behavior While on the Bus

- Weapons (including look-alike weapons) of any type are not permitted on a school bus. Violators will be dealt with according to Franklin County School Board policy.
- Distribution, possession, consumption or use of any type of alcohol, drug or tobacco product is prohibited. Drug paraphernalia is also prohibited.
- Firecrackers or other explosive devices are prohibited.
- Do not bring matches, lighters, etc. on the bus.
- Do not throw objects inside the bus, or outside the bus windows or doors.
- Do not put any part of your body out of the bus window.
- Do not transport objects that are too large to be held on a student's lap or to be placed on the floor in front of the student's seat (such as drums, instruments, band corps flags, skateboards assembled or not).
- Glass containers or glass objects are not allowed on a bus.

- Use of cell phones is prohibited (including but not limited to the following: taking pictures, recording videos, showing pictures, playing loud music). Bluetooth or other speakers are prohibited.
- Identify yourself upon the request of the driver or authorized school personnel.
- All trash must be deposited in the trash can.
- Do not open the emergency door except in the case of an emergency.
- No animals are allowed on a bus.
- Keep aisle clear of feet, arms and other objects.
- Keep noise to a minimum.
- Sit facing forward and do not change seats without the driver's permission. Remain seated while the bus is in motion.
- No outward display of affection beyond the holding of hands is allowed while at the bus stop or while on bus.
- The use and/or spraying of scented products, colognes, lotions, perfumes, deer urine, etc. is strictly prohibited.

Required Behavior While Unloading from the Bus

- Remain seated until the bus comes to a complete stop.
- Unload in a single file and in an orderly manner.
- Leave the bus areas, when safety permits, as soon as you are discharged from the bus. Cross the highway, if it is necessary to do so, at the front of the bus and at least ten feet in front of the bus. Do not cross the highway until the driver has signaled that it is safe to do so.

Rules and Regulations Pertaining to Discipline

- Vandalizing a school bus is punishable by any or all of the following:
 1. payment of damage
 2. loss of bus riding privileges
 3. suspension from school
 4. legal prosecution
- Unauthorized persons are not allowed to board.
- Students who plan to use transportation other than their regular bus, or load or unload at a stop other than their regular stop, must have written parental permission and prior written approval from the appropriate school official.
- Profanity, abusive language and obscene gestures will not be tolerated.
- Disrespectful actions toward the driver, other students, or the general public will not be tolerated.
- Fighting, while waiting for, loading, riding, or unloading from the bus will not be tolerated.
- Students riding buses for field trips and extra-curricular activities are under the same regulations as during a regular day schedule.

Violations and Consequences

When a student violates a rule, he/she will be reported to the administrator of his/her school. The administrator will determine whether the violation is minor, serious or severe and take the appropriate action based on that determination. The school principal may suspend or revoke the riding privileges of students and/or take other disciplinary actions for students who are disciplinary problems on the bus. Parents (or guardians) of children whose behavior and misconduct on school buses violates the Student Code of Conduct or otherwise endangers the health, safety and welfare of other riders shall be notified that their child/children face the loss of school bus riding privileges and/or other disciplinary actions.

Below you will find a list of violations that are categorized as minor, serious or severe. Please note that some infractions are included in more than one list. If so, the administrator will determine which

category to use in order to apply the consequence for the infraction. In addition, should a violation not be listed in any category the administration shall determine the category to use when applying the consequence. Below each list you will find the consequence(s) associated with the categorized violations. In addition, any violation may be shifted from one category to another if the situation warrants.

Acceptable Computer System Use Regulations (ACCEPTABLE USE POLICY)

This policy shall apply to all students, faculty, staff, and users of any of the Franklin County School Division's computer system.

Revised March 12, 2019

Vision

Franklin County Public Schools (FCPS) recognizes that access to technology in school gives the student a greater opportunity to learn, engage, communicate, and develop skills that will prepare them for work, life, and citizenship. FCPS is committed to helping students develop 21st century technology and communication skills. Technology is an integrated component in the lives and education of the students and staff.

Franklin County Public Schools, in collaboration with parents and community members, strive to support and educate students to take advantage of the Internet's benefits while reducing its risks.

Franklin County Public School's responsibility is to give access to technology, teach students how to use technology, and digital citizenship.

Digital Citizenship

Aspects of Digital Citizenship include ethical, responsible, and safe use of computer systems. As an educational system, Franklin County Public Schools will prepare our users to ethically, responsibly, and safely use technologies. We must ensure users understand how to use computer systems in an acceptable and safe manner.

Acceptable Computer Systems Use

All use of the Franklin County School Division's computer system shall be consistent with the school board's goal of promoting educational excellence by facilitating resource sharing, innovation and communication. The term computer system includes, but is not limited to, hardware, software, data, communication lines and devices, terminals, display devices, printers, CD, DVD and other media devices, tape or flash drives, storage devices, servers, mainframe and personal computers, tablets, laptops, telephones, cameras, projectors, multimedia devices, workstations, the internet and other electronic services and any other internal or external network. This includes any device that may be connected to or used to connect to the school division's network or electronically stored division material.

Computer System Use-Terms and Conditions: Acceptable Use

Access to the division's computer system shall be (1) for the purposes of education or research and be consistent with the educational objectives of the division or (2) for legitimate school business.

Privilege

The use of the division's computer system is a privilege, not a right.

Unacceptable Use

Each user is responsible for his or her actions on the computer system. Prohibited conduct includes but is not limited to:

- using the network for any illegal or unauthorized activity, including violation of copyright or contracts, or transmitting any material in violation of any federal, state, or local law.
- sending, receiving, viewing or downloading illegal material via the computer system.
- unauthorized downloading of software.
- using the computer system for private financial or commercial purposes.
- wastefully using resources, such as file space.
- gaining unauthorized access to resources or entities.
- posting material created by another without his or her consent.
- submitting, posting, publishing, or displaying any obscene, profane, threatening, illegal, or other inappropriate material.
- using the computer system while access privileges are suspended or revoked.
- vandalizing the computer system, including destroying data by creating or spreading viruses or by other means.
- intimidating, harassing, bullying, or coercing others.
- threatening illegal or immoral acts.
- any attempt to circumvent the school's safety measures and filtering tools.
- the arranging of a meeting with an online acquaintance.
- any attempt to gain unauthorized access to network infrastructure.

Network Etiquette

Each user is expected to abide by generally accepted rules of etiquette, including the following:

- be polite.
- users shall not forge, intercept or interfere with electronic mail messages.
- use appropriate language. The use of obscene, lewd, profane, lascivious, threatening or disrespectful language is prohibited.
- users shall not post personal information other than directory information as defined in Policy JO Student Records about themselves or others.
- users shall respect the computer system's resource limits.
- users shall not post chain letters or download large files.
- users shall not use the computer system to disrupt others.
- users shall not modify or delete data owned by others.
- users shall not attempt to gain access to other personal resources using unauthorized credentials.

Security

Computer system security is a high priority for the school division. If any user identifies a security problem, the user shall notify the building principal or system administrator immediately. All users shall keep his/her passwords confidential and shall follow computer virus protection procedures. Users are expected to take reasonable safeguards against the transmission of security threats over the school network. This includes not opening or distributing infected files or programs and not opening files, programs, or emails of unknown or untrusted origin.

If a user believes a device he/she is using might be infected with a virus, the user should alert his/her teacher, supervisor, or Technology Services staff and immediately power down the device and wait for further instruction.

Vandalism

Intentional destruction of or interference with any part of the computer system through creating or downloading computer viruses or by any other means is prohibited.

Charges

The school division assumes no responsibility for any unauthorized charges or fees as a result of using the computer system, including telephone, data, or long-distance charges.

Electronic Mail

The school division's electronic mail system is owned and controlled by the school division. The school division may provide electronic mail to aid students and staff in fulfilling his/her duties and as an education tool. Electronic mail is not private. Students' electronic mail will be monitored. The electronic mail of staff may be monitored and accessed by the school division. All electronic mail may be archived. Unauthorized access to an electronic mail account by any student or employee is prohibited. Users may be held responsible and personally liable for the content of any electronic message they create or that is created under his/her account or password. Downloading any file attached to an electronic message is prohibited unless the user is certain of that message's authenticity and the nature of the file.

Web Access

Franklin County Public Schools provides its users with access to the Internet, including web sites, resources, content, and online tools. That access will be restricted in compliance with the Children's Internet Protection Act regulations and school policies. Web browsing and all activity over the network or using district technologies may be monitored and web activity records may be retained indefinitely.

Cyberbullying

Cyberbullying will not be tolerated. Harassing, disrespecting, flaming, denigrating, impersonating, outing, tricking, excluding, and cyberstalking are all examples of cyberbullying. Users should not send emails or post comments with the intent of scaring, hurting, or intimidating someone else. Engaging in these behaviors, or any online activities intended to harm (physically or emotionally) another person, will result in severe disciplinary action and loss of privileges. In some cases, cyberbullying can be a crime. Users should remember that all activities are monitored and retained.

Enforcement

Software will be installed on the division's computers having internet access to filter or block internet access through such computers to child pornography and obscenity. The online activities of users may also be monitored manually. Any violation of these regulations shall result in loss of computer system privileges and may also result in appropriate disciplinary action, as determined by School Board policy, or legal action.

Downloads

Users should not download or attempt to download or run executables on the school network or onto school resources without express permission from the Technology Services staff. For the security of our network, download such files only from reputable sites, only for education purposes, and with consent of the Technology Services staff.

Users should not download secure or confidential information to personal devices.

Plagiarism

Users should not plagiarize (or use information as his/her own, without citing the original creator) content, including words or images, from the Internet. Users should not take credit for things they did not create themselves, or misrepresent themselves as an author or creator of something found online. Research conducted via the Internet should be appropriately cited, giving credit to the original author.

Personal Safety

Users should carefully safeguard the personal information of themselves and others while using Internet capable devices. Some Internet activities are not only dangerous but illegal. Parents, students, and employees should be aware of relevant laws.

If a user sees a message, comment, image, or anything else online that makes the user concerned for his/her personal safety, he/she shall bring it to the attention of a teacher, administrator, supervisor, and/or the Technology Services staff immediately.

Mobile Devices

Franklin County Public Schools may provide users with mobile devices to promote learning outside of the classroom. Users should abide by the same acceptable use policies when using school devices off the school network as on the school network. Users are expected to treat these devices with extreme care and caution. Users should report any loss, damage, or malfunction to the Technology Services staff immediately. Users may be financially accountable for any damage resulting from negligence or misuse. Use of school-issued mobile devices off the school network will be monitored.

Personally-Owned Devices Regulations and Guidelines

Franklin County Public Schools establishes the following guidelines particular to the use of personally-owned devices in schools, in addition to all the general protocols covered in these regulations (GAB-R/IIBEA-R Acceptable Computer System Use).

- Before bringing his/her own device, the student and his/her parent/guardian must read, sign, and complete the Franklin County Public Schools Personally-Owned Electronic Devices Permission Form.
- Personal devices must have up-to-date antivirus software installed and running.
- The student takes full responsibility for his/her device and will keep it on his/her person at all times. The school division is not responsible for lost, damaged, or stolen devices.
- Students must connect to the school's wireless network when using a device at his/her school. Students should not use personal MiFi devices. No personally owned devices may be connected to the network via a network cable.
- Only the student who owns the device will have access to it while it is on the school network.
- All activities involving personally-owned devices must be only at the direction of the classroom teacher/supervisor, and his/her use must not be disruptive to instruction.
- The scope of the usage of personal devices within an instructional setting will be determined by the classroom teacher/supervisor. Students/staff who go beyond that established scope (for example, taking photographs when the established scope is Internet usage only) are subject to disciplinary action.
- The administration or the classroom teacher has the right at any time to discontinue permission of use of personally-owned devices in the classroom.
- Franklin County Public Schools administration reserves the right to search or confiscate a privately-owned electronic device in accordance with the FCPS Acceptable Use Policy if the student is using the device without permission or if there is reasonable suspicion that the student has violated school board or school policies.
- Users who violate any component of the FCPS Acceptable Use Policy may lose the right to use any personal device or school device in the instructional setting and/or face disciplinary action.

****Any personal device brought to school will be subject to monitoring by the Technology Services staff****

Personally-Owned electronic devices permission form can be found under policy GAB- F3/GAB-F4 in school board policies.

Limitation of Liability

Franklin County Public Schools makes no warranties for the computer system it provides. Franklin County Public Schools shall not be responsible for any damages to the user from use of the computer system, including loss of data, non-delivery or missed delivery of information, or service interruptions. The school division is not responsible for the accuracy or quality of information obtained through the computer system. The user agrees to indemnify the school system for any losses, costs, or damages incurred by the school system relating to or arising out of any violation of these procedures.

While Franklin County Public Schools employs filtering and other safety and security mechanisms, and attempts to ensure their proper function, it makes no guarantee as to their effectiveness.

Franklin County Public Schools will not be responsible, financially or otherwise, for unauthorized transactions conducted over the school network and will not be responsible for any personal devices.

The school division is not responsible for troubleshooting or support of any kind for personal devices. FCPS will not provide accessories to charge or to provide power to student/staff personal devices.

User Privileges

In order to facilitate learning and enhance educational information exchange, users have instructional permission to:

- use all authorized hardware and software for which they have received training.
- access the Internet and outside resources to retrieve information.
- access internal (Intranet) resources which they are authorized to access and use for educational purposes.

Violations of Acceptable Use Policy

Users violating any of these Rights and Responsibilities will face disciplinary action described below:

- suspension of computer system privileges.
- notification to parents/guardians, supervisors, and/or appropriate authorities.
- detention or suspension from school and school-related activities.
- legal action and/or prosecution under state, federal, or international law. Adopted:

Legal Refs: 18 U.S.C. §§ 1460, 2256.

STATE EXPULSION FORM

Virginia law requires that, prior to admission to any public school of the Commonwealth, a school board shall require the parent, guardian, or other person having control or charge of a child of school age to provide, upon registration, a sworn statement or affirmation indicating whether the student has been expelled from school attendance at a private school or in a public school division of the Commonwealth or in another state for an offense in violation of school board policies relating to weapons, alcohol or drugs, or for the willful infliction of injury to another person. Any person making a materially false statement or affirmation shall be guilty upon conviction of a Class 3 misdemeanor. The registration document shall be maintained as a part of the student's scholastic record (Code of Virginia 22.1-3.2).

PLEASE COMPLETE AND SIGN THE APPLICABLE STATEMENT BELOW

I, _____ affirm that _____ **has not been expelled** from school attendance at a private school or public school in Virginia or another state for an offense in violation of school board policies relating to weapons, alcohol or drugs, or for the willful infliction of injury to another person.

NOTICE FOR DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Franklin County Public Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Franklin County Public Schools may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the Franklin County Public Schools to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings - unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.⁽¹⁾

If you do not want Franklin County Public Schools to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing by September 15 of the school year at 25 Bernard Road, Rocky Mount, VA 24151. Franklin County Public Schools has designated the following information as directory information:

- Student's name
- Participation in officially recognized activities and sports
- Address
- Telephone listing
- Weight and height of members of extracurricular teams
- Electronic mail address
- Photograph
- Degrees, honors, and awards received
- Date and place of birth
- Major field of study
- Dates of attendance
- Grade level
- The most recent educational agency or institution attended

¹. These laws are: Section 9528 of the ESEA (20 U.S.C. 7908), as amended by the No Child Left Behind Act of 2001 (P.L. 107-110), the education bill, and 10 U.S.C. 503, as amended by section 544, the National Defense Authorization Act for Fiscal Year 2002 (P.L. 107-107), the legislation that provides funding for the Nation's armed forces.

<p style="text-align: center;">NOTIFICATION OF RIGHTS UNDER FERPA FOR ELEMENTARY AND SECONDARY SCHOOLS</p>

Model Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the school receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records which the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the school to amend a record should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records (such as an attorney, auditor, medical consultant, or therapist), a parent or student volunteering to serve on an official committee (such as a disciplinary or grievance committee), or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school division to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

NOTIFICATION OF RIGHTS UNDER THE PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

- *Consent* before students are required to submit to a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED)–
 1. Political affiliations or beliefs of the student or student’s parent;
 2. Mental or psychological problems of the student or student’s family;
 3. Sex behavior or attitudes;
 4. Illegal, anti-social, self-incriminating, or demeaning behavior;
 5. Critical appraisals of others with whom respondents have close family relationships;
 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
 7. Religious practices, affiliations, or beliefs of the student or parents; or
 8. Income, other than as required by law to determine program eligibility.
- *Receive notice and an opportunity to opt a student out of –*
 1. Any other protected information survey, regardless of funding;
 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.
- *Inspect*, upon request and before administration or use –
 1. Protected information surveys of students;
 2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
 3. Instructional material used as part of the educational curriculum.

These rights transfer to from the parents to a student who is 18 years old or an emancipated minor under State law.

Franklin County Public Schools will update policies, allowing for consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. Franklin County Public Schools will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. Franklin County Public Schools will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. Franklin County Public Schools will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and will be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

- Collection, disclosure, or use of personal information for marketing, sales or other distribution
- Administration of any protected information survey not funded in whole or in part by ED
- Any non-emergency, invasive physical examination or screening as described above

Parents who believe their rights have been violated may file a complaint with:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-5901

TITLE I PARENT NOTIFICATION OF RIGHT TO REQUEST INFORMATION ON TEACHER QUALIFICATIONS

On December 10, 2015, the *Every Student Succeeds Act (ESSA)* was signed into law. Section 1112(e)(1)(A) states that as a parent of a student in a school, receiving Title I funds, you have the right to know the professional qualifications of the classroom teachers instructing your child. Federal law requires the school division to provide you this information in a timely manner if you request it. Specifically, you have the right to request the following information about each of your child's classroom teachers:

- Whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status because of special circumstances.
- Whether the teacher is teaching in the field of discipline of the certification or degree he/she received
- Whether paraprofessionals provide services to your child and, if so, their qualifications.

TITLE I PARENT NOTIFICATION OF ASSIGNMENT OF TEACHER FOR MORE THAN FOUR WEEKS NOT MEETING CERTIFICATION/LICENSURE REQUIREMENTS

On December 10, 2015, the *Every Student Succeeds Act (ESSA) of 2015* was signed into law. Section 1112(e)(B)(ii) of the law states that any school that receives Title I funds must inform parents if their child is assigned a teacher for four or more consecutive weeks who does not meet applicable state certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.

TITLE I PARENT NOTIFICATION OF ASSESSMENT OPT OUT POLICIES

Section 1112(e)(2) of the *Every Student Succeeds Act of 2015 (ESSA)* requires divisions that receive Title I, Part A, funds to notify parents of students attending Title I schools that the parents may request information about any state or division policy regarding student participation in required assessments.

TITLE I COMPLAINT PROCEDURES

Definition of a Complaint

A complaint is a signed written statement that includes: 1) an allegation that a requirement applicable to the Title I local educational agency (FCPS) program has been violated; and 2) information that supports the allegation.

Who May Complain

Any parent, teacher, other concerned individual(s), or organization(s) may file a complaint with the Office of Federal Programs.

Complaint Procedure

1. **Receiving Complaints:** Complaints should be formally registered with the FCPS Title I office. A complaint statement will be filed at the Title I office, and the signature of the complainant will be required. The written complaint will be delivered to the FCPS superintendent.
2. **Investigating Complaints:** Upon receipt of the written complaint from the Title I coordinator, the FCPS superintendent or his appointee will investigate the complaint within 15 business days. If the investigation is of such a nature that it requires additional time, an extension will be requested from the office of program administration and accountability at the Virginia Department of Education.
3. **Resolving Complaints:** Within 15 business days of the completion of the investigation and hearing, if required, a resolution and written decision will be rendered by the FCPS. The dissemination of information concerning these procedures will be provided to interested parties, including all school division and school parent advisory committees.
4. **Appealing Complaints:** The complainant is provided the right to appeal the final resolution of the FCPS to the Virginia Department of Education within 30 business days after receipt of the written decision. The department will respond within 15 business days.

Basic Requirements

The Virginia Department of Education recommends that the FCPS have on file an official written complaint resolution. The document provides the FCPS with a formal means of resolving complaints related to Title I activities.

**FRANKLIN COUNTY PUBLIC SCHOOLS
PARENTAL CONSENT AND RELEASE FORM
FOR PHOTOGRAPHIC MEDIA**

An Agreement must be signed as a condition of the use a student's image and/or name in video productions, internet publications, written media or other publications. Read this Agreement carefully before indicating your choice and signing on the *Rules and Regulation Signature Sheet*.

Franklin County Public School students have made great strides in their scholastic achievements, as well as in sporting competitions, and they deserve community recognition for these undertakings. In an effort to promote our students' accomplishments, Franklin County Public Schools would like to produce publications for viewing by the general public.

A parental consent form must be on file for your child before he/she may be photographed. Children may be photographed alone or in a group setting and from varying distances. By signing the *Rules and Regulation Signature Sheet* and initialing one of the "Approval" boxes, you are authorizing Franklin County Public Schools to include your child's image/name in a newspaper article, video production, internet publication (such as the school's or division's website), or other media. Please note that written consent does not guarantee your child's inclusion in the publications.

Participation in these publications is purely voluntary and has no bearing on the education of your child. Franklin County Public Schools respects the wishes of parents and legal guardians, and will not produce any document that may be damaging to your child's achievement.

It is requested that you indicate your choice and sign on the *Rules and Regulations Signature Sheet*.

June 2023

Dear Parents:

I would like to begin by saying how excited and honored I am to be serving you and your children this year. We had a very successful year last year.

We saw good growth last year in our students. Students, staff and teachers worked very hard all year. I am sure that trend will continue this year. It was the hard work on the part of the teachers, students, and parents that made us successful.

Math scores grew, and I am extremely proud of everyone's hard work. Please remember to read every night, and take every opportunity to find math problems in your environment (ex. How many cars are we passing? What shape is that sign? Can you count this change?)

There are a few changes in grade-level teachers among present staff. Some of the changes taking place are as follows:

Ms. Cynthia Fairchild will teach our new Communication for Autism Inclusion Program.

Ms. Carrie Russell will return to teaching first grade this year.

Miss Emma Burrows will join Ms. Russell in teaching first grade

Mrs. Kayla Amos will teach third grade

Ms. Amy Martin will join us and teach fifth grade.

I am looking forward to this school year and the many successes and challenges. Please let me know how I can help you in making this a successful year for every child.

Sincerely,
Gail Brendle

ADDRESS CHANGES & UPDATES

Parents must provide the information necessary on the Registration Form so that either a parent or designated adult can be reached when emergencies arise. Please remember to send any changes of phone number, custody, address, employer, or health condition of the student to school as soon as you are made aware.

AFTER SCHOOL ACTIVITIES

We have several fun and exciting after school clubs and activities. These activities are sponsored by staff who volunteer their time. We have the Walking Club, Chess Club, Good Neighbors, Good News, a Talent Show, etc... In order to participate in these activities, students must be in good standing in class (have very few behavior referrals and assignments need to be turned in) and consistently turn in homework. Also, someone will need to pick children up at the determined time, or they will not be able to participate. We want everyone who is interested to participate, but we will have to abide by these rules.

ASSEMBLIES

A variety of quality assembly programs have been scheduled for the coming year. We have selected programs we know children enjoy and find educational. We pay for these programs out of the activity fee money we collect at the beginning of the year.

ATTENDANCE/CHECK OUT

School Hours: The instructional day begins at 8:20 a.m. and ends at 3:10 p.m. Buses and cars are unloaded at 8:00 am. Car riders may enter the building beginning at 8:00. There is no supervision until then. Instruction will begin at 8:20 a.m. and students arriving after 8:15 will be counted tardy. Except for medical appointments or emergencies, children should remain in school until 3:10 in the afternoon.

Attendance Procedures: **According to the law in the state of Virginia, all children must attend school. The law also requires that the Franklin County School System track student attendance and account for each student absence. This policy supports the compulsory school attendance law and it is enforced as written below.** Parents should notify the school with the reason for every student's absence. A phone call the day of the absence is required. A note to the school the day the student returns is also required. We will accept emails to the school or teacher. We will NOT accept text messages. Please read the information concerning attendance policies for Franklin County.

*****Check out procedure: Anyone who checks out a student must have a valid driver's license or ID card.** Our system checks these cards, and it will not allow a check out without some form of identification (for the safety of the child). **This identification will be used every time a student is checked out.*****

Franklin County School Board policy states that any student who misses more than 20 days will not be promoted to the next grade. Exceptions will be considered on a case-by-case review of the nature of a student's absence with parents, teachers, administrators, and central

office personnel. Attendance will continue to be a priority at Sontag. There is a direct correlation between student success and attendance. We will continue to write and call parents if the number of days missed becomes a concern. All out-of-school suspensions will be counted as absences against the 180 days.

The responsibility for making up work missed due to being absent lies with the student. They must ask teachers for assistance in making up work. If a child misses a day of school he/she cannot participate in after school activities that day/night. This includes graduation, clubs, performances etc.

Please note: **Repeated tardies or early check-outs affect a child's performance. School Board policy states that five tardies (after 8:15 a.m.) or five early check-outs (before 3:10 p.m.) will be counted as one absence.**

Every school in the county has been assigned a Student Assistance Specialist who will help monitor attendance. Sontag's Student Assistance Specialist will notify parents by letter or by phone if concerns about absences or tardies arise.

In addition to the School Board policy, the Code of Virginia (22.1-258) states that whenever any pupil fails to report to school a total of five days and no illness or family emergency has occurred, one or more of the following interventions may be initiated. These interventions are intended to prevent a student from reaching the 20-day limit.

1. Telephone calls to parents/guardians
2. Letters to parents/guardians addressing student attendance
3. Parent/school conference
4. Home visits
5. Referral to the Franklin County Truancy Response Team

The Truancy Response Team is an interdisciplinary group of school personnel and other professionals from community agencies who meet to discuss and recommend resources, options, and opportunities to help children stay in school and be successful.

Another function of the Truancy Response Team is to make referrals to Franklin County Juvenile and Domestic Relations Court. These referrals can be made in the form of either a CHINS (Children in Need of Supervision) or a warrant issued against the parent(s) for failure to send the child to school.

The Truancy Response Team will consider the following as **EXCUSED ABSENCES**.

Personal illness with a signed doctor's excuse

Death in the immediate family (mother, father, brother, sister, aunt, uncle, grandmother, grandfather)

Subpoenaed court appearance

Representative for school at a school-related activity

Authorized field trips and school-sponsored activities

Students must be present for half a day in order to be counted as present for purposes of perfect attendance. The present established policy regarding tardies and early check-outs will continue. A total of 5 tardies and/or early check-outs will result in a day of absence.

Parental Cooperation in Remediating Excessive Unexcused Absences

It is expected that parents will cooperate with the attendance officer and other school officials to remedy the student's attendance problem. Where direct contact with a parent cannot be made, despite reasonable efforts, or where parents otherwise fail to cooperate in remediating the student's attendance problem, the superintendent or the superintendent's designee may seek immediate compliance with the compulsory school attendance laws. The attendance officer, with the knowledge and approval of the Superintendent, shall institute proceedings against any parent who fails to comply with the requirements of the compulsory attendance laws. Where the complaint arises out of the parent's failure to comply with the requirements of § 22.1-258, the attendance officer shall document the school division's compliance with this Code section.

Tardies: If your child is tardy please see your child safely into the building. We cannot be responsible if we do not know your child is at the school.

BUS TRANSPORTATION

Virginia law permits schools to provide bus services but does not require them to do so. The privilege of riding the bus can be temporarily or permanently withdrawn if students willfully misbehave, endanger life or ride buses other than they are assigned. Bus regulations are provided at the beginning of the school year. Parents must indicate that they are aware of the rules and will hold their children accountable.

If a parent wishes for a child to ride a different bus than the one assigned, a written note should be sent to school (no emails accepted). The same is true if students are to get off at a stop other than their usual one. These notes are kept on file for documentation. **Phone requests for a change of bus should only be for emergency situations and will not be accepted after 2:45 pm.** We have to have time to contact the teacher and bus driver. This is often a serious problem at 3:20 p.m. when buses are ready to go and a child insists he cannot go to his normal destination. We must have parent verification for any bus change. Otherwise, children will ride to their regular destination.

Children who ride to school by bus should be at their bus stop at least ten minutes before the regular pickup time and visible to the driver as he/she approaches the stop. The driver will slow down for each pickup point but is not required to come to a full stop unless riders are in view. Afternoon buses load from approximately 3:15 until 3:20.

It is important that all students ride the bus to which they are assigned. Assignments are made so that buses will never be loaded beyond their legal and safe capacities.

CAFETERIA/FOOD FROM HOME

For lunches brought from home: Please clearly mark lunch boxes or bags with the student's name. No glass containers are allowed in school or on school grounds. Students should pack milk, juice, or other healthy drinks. Children who pack lunch may also purchase milk or juice in the cafeteria. **Soft drinks** and other caffeinated drinks (such as tea or coffee) **are not allowed**.

JHCG-R Regulations for Allergy Management - For class parties or other events for which parents are asked to supply food, that food may ONLY be prepackaged, store-bought food. NO HOMEMADE FOODS ARE TO BE DISTRIBUTED UNDER ANY CIRCUMSTANCES. The package's nutritional information label must be submitted with the food item. This policy is put

in place to protect our students with food allergies. If you are providing any treat that separates the candy from the package, the package must be sent in with the treats. For example, if you put Hershey Kisses in a treat bag, we will need the original package so we can check the ingredients label. This would also pertain to bringing lunch for your child. **This lunch/food can only be given to your child.** Please do not give food to any other child. Allergies are a real concern, and we need to be safe. **Students are not allowed to share food.** Before you bring any class snacks please get the teacher's permission so the teacher can be prepared.

Cell Phone Use Policy FCPS

During the school day:

Cell Phone K-8

All use of personal cellular telephones and other forms of electronic communication tools are prohibited from 8:00 a.m. to 3:30 p.m.

Students' may use personal cell phones **after** school hours and to and from school while on the bus while adhering to the following:

- Inappropriate use of social media, vulgar pictures, text messages, videos, etc. shall not be permitted at any time while the cell phone is on school property, this includes school transportation
- The student is solely responsible for his/her cell phone. The school and its staff are not liable for student's cell phones.
- Cyberbullying will not be tolerated in any form. Engaging in cyberbullying during school hours or during any school sponsored events after hours will result in disciplinary action. In some cases law enforcement will be involved.

Consequences:

Grades K-8

1st Offense: A warning will be given to the student and a referral processed by Administration.

2nd Offense: A referral will be written and processed by Administration. The student's device will be confiscated and returned to the student at the end of the school day.

3rd Offense: A referral will be written and processed by Administration. The student's device will be confiscated, and the parent must pick up the device from the office at the end of the school day.

4th Offense: A referral will be written and processed by Administration. The student's device will be confiscated, and the parent must pick up the device from the office at the end of the school day. The student will receive a disciplinary action.

Cell phones will not be used for instructional purposes at any time during the school day.

The Administration at each school reserves the right to determine what constitutes appropriate cell phone usage according to the policy. Students who do not adhere to these guidelines will be subject to disciplinary action. Parents will be contacted to advise them of the situation.

As a reminder, the device usage examples listed above are not an exhaustive list. Any questions regarding cell phone usage should be addressed with school administration.

Adopted by the School Board on May 9, 2022

COMMUNICATION:

The following should be communicated to the school by a note:

Absences (notes should be turned in within 3 school days of the absence)

Request for a child to change from bus rider to car rider or car rider to bus rider

Permission to go home with another student

Permission to ride a different bus other than the one assigned

Specific health needs

Someone other than the person(s) listed on the checkout authorization checking out your child.

Vacations during the school year.

Issues that arise

Occasionally there will be an issue you would like to discuss. Please follow the chain of command—talk with your child’s teacher first. If the issue cannot be resolved, then please come and talk with or call Mrs. Brendle.

Mrs. Brendle will make call outs, send emails or text messages with important information when necessary. Please do not block the school’s number.

DISCIPLINE/BEHAVIOR

Sontag Elementary discipline program supports the rights of each student to an education in a calm, safe, and secure environment. Each teacher will make parents and students aware of their own specific classroom rules, rewards for following the rules, and consequences for infractions. The following building-wide rules, procedures, and policies have been established for all students:

Students shall respect school property, other students, and school staff.

Students shall walk in a quiet and orderly manner throughout the building.

Students shall keep hands, feet, and objects to themselves.

Students shall not possess alcoholic beverages, controlled substances, dangerous items, lighters, knives, fireworks, laser lights, firearms, or weapons on school property.

Toys are not permitted at school.

Students shall follow the directions of any staff member.

Students shall refrain from chewing gum on school grounds.

Students must wear gym shoes on the playground and during any physical activity for safety.

Students may not sell, buy, or trade products in the school.

Parents will be notified through telephone calls and/or written correspondence of any discipline problems. For severe or persistent problems, a conference with the parents will be requested.

Students must realize that they control their own behavior and are responsible for their actions.

It is important that students, school staff, and parents work together to maintain a positive educational atmosphere.

Cafeteria Rules: The following rules apply for breakfast and lunch:

Stay seated.

Talk quietly to students at your table.

Raise your hand for help.

Potential Consequences include, but are not limited to, the following:

Lunch detention

After-School detention

Loss of Recess

In-School Suspension (ISS)

Out-of- School Suspension (OSS)

School Bus Rules:

Follow the driver's directions.

Stay seated for safety.

Talk quietly with the classmates in your seat.

Keep your hands to yourself.

No eating or drinking on the bus.

Respect each other.

THREATS/HARASSMENT

In this world we live in we can never be too careful. Franklin County Public Schools have to take threats seriously. Students are expected to demonstrate proper respect for faculty, staff, and each other. Touching other people inappropriately, making unwelcome and/or inappropriate comments, gestures or derogatory remarks will not be tolerated. These actions are detrimental to a positive and safe school environment. **Students are not to make threats against others.**

Making threats against others may warrant a suspension from school for a period of 3 to 5 school days.

DISMISSAL PROCEDURES/CAR RIDERS

We have many families who have split custody, and to ensure all students' safety we have some rules about car riders. For car riders the parent/custodian will be given a dashboard placement card. This way, after a couple of days, the staff who are helping students into cars get to know the cars, parents/ guardians and students who go with them. We will be able to check identification to be sure your child is going with an approved person. **Children should be picked up by 3:15 p.m. After that time there is no supervision for students. Abuse of this policy will result in further action.** When you are waiting in line, please remember that if you do not have a placement card you will need to park, come in with a driver's license or other id and sign the student out.

DISMISSAL PRECAUTIONS

Principals do not release a student during the school day to any person not authorized by the student's parent/guardian to assume responsibility for the student. Students are released only on request and authorization of a parent or a guardian. **NOTES MUST BE WRITTEN BY A CHILD'S PARENT OR GUARDIAN AND BROUGHT IN BY THE STUDENT, NOT BY THE PERSON WHO IS GOING TO CHECK THE CHILD OUT.** The superintendent

establishes procedures for release of pupils who are not residing with or under the supervision of a parent/guardian. The burden of proof on the authority of the person to receive the student is on the requesting party. A formal check out system is maintained in each school.

PLEASE DO NOT ENTER THE CAR RIDER EXIT (NEAR THE CAFETERIA).

PLEASE DO NOT PARK IN THE STREET AND WALK TO THE CAFETERIA FOR YOUR CHILD. This is dangerous for our students, traffic on the road and parents who are leaving. All cars should enter from Lucy Wade Road.

DRESS CODE- SECTION I: All students are expected to dress appropriately for a K-12 educational environment. Any clothing that interferes with or disrupts the educational environment is unacceptable.

- A. Clothing may not depict, imply, advertise, or advocate illegal, violent, or lewd conduct, weapons, or the use of alcohol, tobacco, marijuana, or other controlled substances.
- B. Clothing may not depict or imply pornography, nudity, or sexual acts.
- C. Clothing may not display or imply vulgar, discriminatory, or obscene language or images.
- D. Clothing may not state, imply or depict hate speech/imagery targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or any other protected classification. The Confederate Flag is prohibited.
- E. Clothing and accessories that endanger the safety of others may not be worn.
- F. Apparel, jewelry, accessories, tattoos, or manner of grooming that, by virtue of its color, arrangement, trademark or any other attribute, denotes membership in a gang that advocates illegal or disruptive behavior is prohibited.

SECTION II: Clothing must cover the chest, stomach, back and shoulders even when arms are raised. Tight fitting clothing and/or revealing pants are not allowed. Clothing must be covered with a shirt or garment that is no shorter than 5" above the knee as measured by a 3x5 index card.

- Pants are to be worn at the waist, and are not to drag the ground.
- See-through, mesh or garments with holes must not be worn without appropriate coverage underneath.
- Specialized classes may require special attire, such as sports uniforms or safety gear.
- Clothing must have shoulder straps at least 3 inches in width unless covered by a jacket/sweater at all times.

SECTION III: Accessories

1. No long chains, jewelry or cosmetic accessories that can reasonably be used as a weapon. (i.e., pants, book bags, etc.).
2. Headcoverings/hats: Pre-K-8: Headgear/head apparel including hats, hoods, headwraps, and caps are not allowed at school unless permitted for religious, medical or extenuating circumstances approved by administration.
3. Shoes: Shoes must be worn at all times and should be safe for the school environment.
4. Sunglasses may not be worn inside the building.

The Administration at each school reserves the right to determine what constitutes appropriate dress according to the policy. Students who do not adhere to these guidelines will not be allowed

to attend class until they are in compliance. Parents will be called to advise them of the situation. As a reminder, this dress code is not an exhaustive list. Any questions regarding this dress code should be addressed with school administration.

DRILLS ~ FIRE, TORNADO, LOCK-DOWN

Fire drills, full evacuation, and lockdowns are required by law and are held during the school year in accordance with State Law 22.1-137. Fire drills are conducted at least twice during the first twenty days of school. At least two additional fire drills are conducted during the remainder of the school year. Full evacuations or lockdowns, as well as bus evacuations, will also be held during the year. Franklin County Schools also conduct a tornado drill each spring. Directions for exiting the school building are posted in each classroom. Students are expected to exit the building in a safe and orderly manner during all drills. As part of our procedures for safety, teachers take their roster out with them and roll is taken.

Evacuation Plans—After being contacted by the Director of Public Safety, or the fire chief to evacuate the school, the following plan will be put into effect:

1. The superintendent of FCPS will be notified of the evacuation by the Sontag Elementary Principal.
2. The director of transportation will be notified by the principal that we have to evacuate.
3. The director of transportation, with the aid of public officials, will decide the safest evacuation location route, and then dispatch buses to the school.
4. With the aid of the transportation office, announcements will be placed on radio and TV stations in the immediate listening area to alert parents and interested citizens of the evacuation and to make them aware of where they may pick up their child(ren). Other procedures will be announced throughout the day as decisions are made.
5. The school administration and staff will try to contact each parent, guardian or care-giver to notify them of the circumstances as to where and when children may be picked up.

EMERGENCY PLAN

Each school has an emergency (crisis management) plan for employees to follow in numerous situations. As part of this emergency plan, evacuation destinations have been established for each school. If it would ever be necessary to evacuate the school, **Rocky Mount Elementary or BFMS-West** is the destination for staff and students.

In the event of injury or violent/threatening behavior, teachers have a crisis management plan to follow in order to maintain safety of all students. If a child sustains an injury, the nurse will determine the necessary plan of action to follow. If a child presents a threatening or violent behavior, all students will be removed from the location of the threatening behavior.

FAMILY LIFE Please see page 25 for the curriculum and permission

FIELD TRIPS

Field trips are planned to support the grade level curriculum. A list of approved field trip locations is available from the central office. A variety of non-mandatory educational field trips will be planned throughout the school year. Students wishing to participate may be asked to pay a fee for transportation and/or admission. **A signed parent permission form must be on file**

before a student may participate in a field trip activity. Students must also demonstrate good behavior to attend field trips. Trips are privileges not rights.

Due to limited seating on school buses, charter buses or at the actual destination, chaperones may be limited. If we are limited, chaperones will be chosen by lottery. In the event chaperones are allowed or asked to drive their personal vehicles, they will be asked to go ahead and meet the students at their destination and NOT follow the bus. Following buses creates a safety hazard for the bus and the driver. The final decision whether a chaperone will be allowed to chaperone a field trip will be to the discretion of the principal.

Parents who wish to accompany children on field trips must adhere to the following: Anyone attending an overnight field trip will be required to complete a State Police and Department of Social Services background check. There is a \$25 fee to complete this paperwork or you may attend volunteer training at the School Board for free. All parents who wish to attend a day trip with children must be checked through Child Protective Services. Again, this may be completed for free if a parent attends a volunteer training. No children or other family members will be allowed to go on field trips. In the event the student does not participate in classroom field trips, he/she will be required to attend school during regular hours. If not, it will be an unexcused absence.

GRADES AND AWARDS

For grades 2-5 the grading scale will be:

A = 90-100

B = 80-89

C = 70-79

D = 60-69

F = 59 and below

Parents who provide an email address will receive an electronic report card to that email address. Directions will be sent for how to log in to see that report card.

Awards will be given at the end of each nine weeks in classrooms. The awards will recognize student conduct, academic achievement, and attendance.

The academic awards are slightly different according to grade-level work. The attendance is the same for all students. A perfect attendance award is awarded to students who have not been absent, tardy or had an early check out during the nine weeks. (A note from a physician excuses the absence, but the child is still considered absent.) Excellent attendance is given to students who miss no more than one day and have no more than one tardy/early check out per nine weeks. I remind parents that **five (5) tardies or early check-outs are equal one absence**. A perfect attendance certificate will be given at the end of the year for students who miss no days and have no more than four tardies or early check-outs

Principal's List- Students in grades 3-5 who achieve all A's for a 9- week grading period will be on the principal's list.

Honor Roll- Students who achieve all A's and B's for a 9- week grading period will be on the Honor Roll.

President's Gold Award- Students in grades 2-5 who are on the Principal's List (all A's) all year long will receive the President's Gold Award.

President's Silver Award- Students in grades 2-5 who are on the Honor Roll (A's and B's) all year long will receive the President's Silver Award.

HEALTH SERVICES/CLINIC-MEDICATIONS

A nurse will be available at the school five days each week. Parents should bring special health concerns to the attention of the school nurse.

Medication

According to the school board policy adopted in 1997, no over-the-counter medications will be given to students without written direction from a physician. This includes aspirin, Tylenol, cough syrup, etc. The medication must be brought to school in the **unopened original container or packaging by the parent/guardian**. There must also be a written medication authorization from the physician (which includes the name of the student, name of medication, route of administration, the dosage, the frequency of medication administration, the reason for the student's use of the medication, and any special instructions.(such as give in applesauce or need to crush pills, etc.) Parents must complete and sign the required **medication permission form** and have the physician sign it as well. This form can be found at the back of this handbook. Medicine will **not** be administered if brought in an unmarked bottle or without a completed medication permission form. **Children should NEVER transport medicine on the bus**. Parents must bring medicine to the nurse in the original container and it must be delivered to the principal, school nurse or school division designee by the parent or guardian of the student. Care plans as dictated by individual students' medical diagnosis will be followed.

Student Illness

Children should not be sent to school if they have had a fever or vomiting during the night or have been sick prior to leaving for school. Children with fever should stay home until there is no fever for 24 hours without the use of medication. When students become ill at school, they are checked by the nurse or other office personnel, and every effort is made to contact the parent or guardian. Parents will be expected to take sick children home. For this reason, the school must be provided with a telephone number where a parent/guardian can be reached in the case of an emergency. Please keep contact information updated.

Head Lice (Pediculosis) According to Franklin County School Board Policy: If a child is found to have live lice or nits, the student must be removed from class. The student's siblings and every child in the affected classroom(s) must be checked. The parent/guardian will be contacted to pick up the student with live lice or nits, and will be provided with a parent recommendation letter and instruction sheet. After treatment, the parent/guardian must bring the student to school to be checked by the school nurse. The student will be re-admitted if he/she is free of lice and nits. The student cannot ride the school bus until re-admitted. A pediculosis letter will be sent to

the parent/guardian of every student in the affected classroom, and to the parent/guardian of every other student who was checked by the school nurse.

INCLEMENT WEATHER PLANS

Inclement weather, at times, necessitates a late opening of school. Local TV and radio stations provide information concerning late openings. The decision to close school due to inclement weather is usually made before 6:30 a.m. Area radio and TV stations will carry information about school closing or delayed opening. Radio Stations are: WZBB, WKDE, WYTI, WFIR/WPVR, WROV, K-92, WSLC/WSLQ, WYYD, WMVA, WHEE, 3 WR, WVTF, WTOY, WLQE/WLVA, WFIC, WJJS/WRDJ, SPIRIT FM, WJLM TELEVISION STATIONS ARE: WDBJ, WSLS, WSET, Cable 12, Fox 21/27~ Please listen to these stations instead of calling the school or school board office. Radio and television stations will also be notified if there is a need to close school early.

If you would like texts about closing and delays, please use the Parent Portal on the Franklin County Schools website at frco.k12.va.us.

If schools should open one hour late, students should arrive by 9:00. Breakfast will be served from 9:00 – 9:40. If schools should open two hours late, students should arrive by 10:00, and there will be a light breakfast served. At times, weather forces school to dismiss early. Many of our students attend the Henry Fork Center. **When schools close early the Henry Fork Center will be closed. Please be prepared with an alternative plan for your child.**

IMPORTANT: Your Emergency Dismissal information will be followed for any early dismissal. If circumstances change, please ask to make the necessary changes. Phone calls during an early dismissal cause confusion and the possibility of a student going to the wrong destination.

INSTRUCTION – The instructional hours are 8:20 a.m. – 3:10 p.m.

Please be on time every day. Students are tardy after 8:15. The tardy time reflects our need to get underway as soon as possible.

Office Hours – 8:00 a.m. – 4:00 p.m.

Curriculum Our curriculum is based on the Virginia Standards of Learning (SOLs) for all areas. Every child is expected to master these concepts and skills. Students will go beyond these standards as their teachers challenge them. The curriculum is taught by highly qualified faculty members at Sontag Elementary School. Parents have the right to know the qualifications of the teachers.

Technology Computers and software in a lab setting as well as in classrooms allow students individual practice in core subject areas and allow them to develop keyboarding and other computer skills. Each homeroom teacher uses an interactive white board to increase student learning.

Internet Policy: Parents/guardians will be provided a copy of the Internet Policy at the beginning of the school year in InfoSnap. Parents and students are asked to sign the policy. Only

students who have a signed Acceptable Use Policy of Electronic Communications Access on file will be permitted to access the Internet. Internet misuse will result in an office referral.

Homework/Grades K-3:

Maximum of 30 minutes for written work

Grades 4-5: Maximum of 60 minutes for written work

Homework is assigned when beneficial to students. To be most effective, it requires cooperation of the teacher and parents.

Physical education

It is a state requirement to provide physical education (P.E.) activities for all pupils. Extended dismissal from P.E. for chronic or serious physical disorders will require a notification signed by a physician. The notification shall specify the length of time the child needs to be excused. Children who are recuperating from illness need moderate exercise. Usually a note to the teacher to keep an eye on the child during P.E. is sufficient to safeguard his/her health. Students must have **tennis shoes** on physical education days.

INVITATIONS TO OUTSIDE PARTIES

To keep from hurting feelings, we will not pass out invitations to parties unless a whole class is invited. Please pass out other invitations outside of school.

NONDISCRIMINATION

We follow the Franklin County Public Schools policy which can be found at: Franklin County Public Schools Policies and Regulations SECTION J: Students Title Equal Educational Opportunities/Nondiscrimination CodeJB StatusActive AdoptedNovember 12, 2012 Last RevisedJuly 14, 2008

Franklin County Public Schools does not discriminate on the basis of race, color, national origin, sex, age, or disability in its programs, activities, or employment practices, as required by Title VI, Title IX and Section 504. The person responsible for the coordination of the school division efforts to meet its obligations under Section 504 and Title IX and implementing regulations is the Superintendent, 25 Bernard Road, Rocky Mount, Virginia 24151, (483-5138).

PARENT ADVISORY COMMITTEE:

The Parent Advisory Committee will meet with the principal during the year to discuss school policies. They discuss and plan for specific PTO events, share concerns, and provide valuable input for a variety of school improvement issues. This group changes from year-to-year, and we would welcome additional members willing to commit time and ideas. The purpose of this group is to discuss school-wide programs. Individual concerns should be discussed independently with Mrs. Brendle. If you would like to be on the advisory committee please contact John Young, Belinda Mitchell, Tammy Hodges our Volunteer Coordinator, or Mrs. Brendle.

P.T.O.

We will vote for officers at the first PTO meeting of the year or the last meeting of the previous year. PTO officers are a great asset to Sontag School. They give generously of their

time to make Sontag better for all students. But they will need help. Please let them know how you can help. The PTO will only be successful if parents are willing to participate. **Our PTO meetings are held one Tuesday of every month (at 6:00) except January, February and May. A calendar of those meetings will be sent home.**

PROMOTION & RETENTION

A building level team consisting of a building administrator, a guidance counselor, a student's current teacher(s), a student's parent(s) and other staff members, as deemed necessary, shall meet to determine a child's promotion or retention based on a set of multiple criteria including the following:

Previous retention

Attendance

Grades

Standards of Learning mastered

EL status

Special Education status

Standards of Learning test results in third, fourth and fifth grades

Reading tests

REPORT CARDS

Report cards will report grades and absences for each nine-week grading period. These are sent electronically in grades K-5. Parents without Internet access should make a request to the teacher for a paper copy of the report card. Dates for report cards are indicated on the Franklin County Public Schools calendar.

RETURNED CHECK FEE

There will be a \$35.00 fee for all checks returned to the school for insufficient funds.

SAFETY AND SECURITY

Any child being dropped off at school in the morning must arrive after 8:00 a.m. There is no supervision of children until that time. Children will be supervised in the cafeteria from 8:00 until 8:15 when classes begin.

The speed limit on the front access road is 5 miles per hour.

Unfortunately, school safety is no longer taken for granted. Deliberate plans have been made with the help of state and county law enforcement officials to prepare for a possible emergency. Parents must support this effort and follow rules put into place for visiting the school and checking out students. Concern for student safety is our foremost priority.

All outside and classroom doors will be locked during the school day. Signs are posted on all building entrances requesting that all persons who are not school personnel or students report to the main office. **Please do not let anyone come into the building with you if you are entering.** We need everyone to be buzzed in.

Visitors are welcome in our building; however, to ensure student safety, all visitors must check in the office. We will question anyone we do not recognize. **A valid picture ID is required** in order to sign in as a visitor and/or sign a student out. **There are no exceptions to this rule.** Again, prior written notification is expected if someone other than a parent or guardian is checking your child out of school. **Students will not be released to an adult who is not listed by the parent on the registration form.**

You are welcome to walk your child to class, after you have checked in at the office, until he/she knows the way, but **please after the second week of school, drop your child off in the front hallway and let him/her make his/her way to class.** There are school staff and safety patrol in the halls to help students. No unauthorized individuals will be permitted on school grounds.

County and state regulations prohibit pets from being brought into schools.

If a parent is legally prohibited from picking up a student, official documentation must be on file in the school office. This must be in the form of a **court order signed by a judge.** Please contact the principal if you have questions.

The school must have a current home address and at least 2 telephone numbers where parents or relatives can be reached in case of an emergency. Parents or guardians must notify the office if any changes occur.

Confidentiality prohibits school personnel from sharing information concerning a student with anyone except that student's parent (s) and/ or other legal guardian. This includes contact information.

SCHOOL IMPROVEMENT PLAN

A School Improvement Plan (SIP) is written yearly. A copy is available upon request.

TESTING

Students in grades K-3 will take the VLP- Virginia Literacy Partnership test three times during the year (fall, mid-year, and spring). This is a very valuable test that provides information about progress on specific reading skills. Second grade students take a standardized achievement test called the Otis Lennon Test in the fall. Students in grades one through five take an Exact Path test during the year. This test gives a reading and math level to help in our grouping. There are several other measures we use in addition to the Exact Path. We also use teacher recommendations and other formative assessments.

Students in grades 3, 4, and 5 will take the state-required SOL tests this year. These tests are important measures for state accreditation. Third grade students take tests in reading and math. Fourth grade students take tests in reading, math and Virginia Studies. Fifth grade students take tests in reading, math, and science.

A score of 400 on the SOL tests is considered passing. A score of 500 is considered pass advanced. A score of 600 is a perfect score.

A link to the Virginia Department of Education and the Standards of Learning is available on the Franklin County Public Schools website under the instruction link. A hard copy of your child's standards is available upon request.

More information about these tests will be provided by grade-level teachers.

Parents have a direct impact on student performance. Students who do the following will enhance their chances to succeed. Please encourage your child to do the activities below as a daily routine.

Work seriously each day by being good listeners and asking questions when they don't understand.

Read daily beyond the school day.

Memorize basic addition, subtraction, multiplication, and division facts, which are the foundations of more sophisticated math skills and concepts.

Complete homework assignments.

Attend school daily, and be on time for class.

VALUABLES FROM HOME

When children bring valuables from home (phones, extra money, jewelry, electronic games, toys, make-up, etc.), they run the risk of the items being broken, lost, or stolen. The items also become the center of attention for that child and others nearby, and little work gets accomplished. In each of the above situations, students get upset, parents get upset, and teachers get upset. These items need to stay at home. If an item is confiscated by a teacher, the item will stay in the office until a parent can come to pick it up. Watches that send emails/connect to the internet throughout the day are prohibited.

VISITS

We encourage parents to visit our school. Please contact your child's teacher and make plans to visit your child's classroom or eat lunch in the cafeteria. We do ask that all visitors, including parents, report to the main office before going to a classroom, the cafeteria, or any location in the school. All visitors must scan his/her license or id and will be given a Visitor's Pass to wear while in the building. Again, we must ensure the safety of all our students.

VOLUNTEERS

We have a successful volunteer program. Our volunteers include parents, grandparents, and very committed retirees. **Volunteers must be at least 21 years of age.** Not only do we need your assistance, but also your presence in the school makes a very positive statement to students. Whether you volunteer on a regular basis or just for special projects, we appreciate your help and support. All of this help makes Sontag a community of learners and a better school. Volunteers help by tutoring in reading and/or math, preparing for SOL tests, going on field trips, helping with room celebrations, gardening, putting up bulletin boards, maintaining the aquarium, and the list goes on. If you would like to be a part of this program, please contact Melinda Jamison, our Volunteer Coordinator, see Mrs. Brendle or contact the school.

Dear Parent or Guardian:

We attempt to discourage administration of medication in the schools. However, if your physician decides it is necessary for your child to receive medication during the school day, the approval and specific directions must be provided to the school. It is recommended the first doses of medication be administered at home. Medicine which is ordered to be taken two or three times a day can be taken at home and should not be sent to school.

Send the medication to the school in the original or a duplicate box or bottle with the current prescription label on the container. Upon request, pharmacists have labeled empty containers to be used.

Please take this form to your physician and have the instructions recorded regarding the administration of your child's medication.

Family Life Education

In response to the Code of Virginia, instruction in Franklin County Public Schools (FCPS) includes a comprehensive, sequential Family Life Education (FLE) program for kindergarten through high school. The FLE program is designed to provide students with the knowledge and skills to make informed, responsible decisions related to growth and development; communication and relationships; and emotional and social health.

You can view the FCPS Family Life Education program by visiting the following links:

If you determine your child should not be included in FLE this school year you may visit <http://bit.ly/FCPSFLEOptOutForm> to complete the opt out form and return it to your child's school on Business Day. Forms will also be available at your child's school on Business Day. Unless you indicate otherwise, your child will be included in FLE. You do not need to return the form if you wish for your child to participate in FLE instruction.

Educación de vida familiar

En respuesta al código de Virginia, instrucción en las escuelas públicas del Condado de Franklin (FCPS) incluye un programa de Educación de vida familiar (FLE) integral, secuencial para Kinder hasta high School secundaria. El programa FLE está diseñado para proporcionar a los estudiantes con los conocimientos y habilidades para tomar decisiones fundamentadas y responsables relacionados con crecimiento y desarrollo; comunicación y las relaciones; y la salud emocional y social.
