

Franklin County Public Schools

Elementary Family Life Education

Permission Waiver

Throughout the school year, 4th and 5th graders will be taught the Franklin County Public Schools Family Life Curriculum. This curriculum follows state mandated VDOE Family Life Standards of Learning Guidelines. Family Life Education will require a separate block of time and will be taught in sex-separated classrooms.

Virginia state legislation mandates that Family Life Curriculum be implemented and allows the opportunity for parents to opt their child out of the gender-separated Family Life instruction. Students whose parents opted them out will be provided an alternative learning activity during this period of instruction.

If you are not familiar with the Franklin County Public Schools Family Life Curriculum Framework you may get a copy from your school nurse or visit the following link :
